Dear Arun

**Low Carbon Networks Fund: version Six of the Low Carbon Networks (LCN) Fund  
Governance Document**

I am writing on behalf of SP Energy Networks in response to the above consultation on the LCN Fund Governance. We have no major queries regarding the new version of the governance and are pleased to see that a number of areas have been clarified. The only point which I would like to highlight, in paragraph 3.31 – Tier 2 Submission Process, a new requirement of providing eight ring bound copies is required within 48 hours of the electronic submission. We would propose this is changed to two working days in the event that the submission deadline is a Friday or adjacent to a bank holiday.

I hope that this is helpful, but please contact me if there are any queries.

Yours sincerely
