Dear Andrew

Notice under Section 11A(2) of the Electricity Act 1989 on proposed licence modifications to Charge Restriction Conditions (CRC) 13 and 15 of the electricity distribution licence

Thank you for the opportunity to comment on the above notice, dated 26 April 2013. This response should be regarded as a consolidated response on behalf of UK Power Networks' three affected distribution licence holding companies: Eastern Power Networks plc, London Power Networks plc, and South Eastern Power Networks plc.

We have reviewed the proposed amendments and do not wish to make a formal representation in respect of them. If you have any questions, please do not hesitate to contact Paul Measday (07875 113241) in the first instance.

Yours sincerely
