

Appendix 1 - Consultation Response and Questions

1.1. Ofgem would like to hear the views of interested parties in relation to any of the issues set out in this document.

1.2. We would especially welcome responses to the specific questions which we have set out at the beginning of each chapter heading and which are replicated below.

1.3. Responses should be received by 7 November 2013 and should be sent to:

James Veaney
Smarter Grids and Governance Distribution Policy
020 7901 1861
james.veaney@ofgem.gov.uk

1.4. Unless marked confidential, all responses will be published by placing them in Ofgem's library and on its website www.ofgem.gov.uk. Respondents may request that their response is kept confidential. Ofgem shall respect this request, subject to any obligations to disclose information, for example, under the Freedom of Information Act 2000 or the Environmental Information Regulations 2004.

1.5. Respondents who wish to have their responses remain confidential should clearly mark the document/s to that effect and include the reasons for confidentiality. It would be helpful if responses could be submitted both electronically and in writing. Respondents are asked to put any confidential material in the appendices to their responses.

1.6. Next steps: Having considered the responses to this consultation, we intend to publish our decision in relation to SPEN's Competition Notice in December 2013.

Each of the questions asked by this consultation is set out in the template below. Note that an editable version of this response template is available on our website as an associated document to this consultation. If you do not wish to use our response template, please ensure that you indicate the RMS and DSA to which your experiences relate.

When considering your responses to these questions, please consider your experiences, the actions that SPEN has undertaken and the actions that you consider it could reasonably undertake.

Please check the RMS and DSAs that are relevant to you in the table below.
