Question	For the 15 units mentioned in the response to Question 20, please state the total running hours of each compressor in each of the last 3 years (i.e. 2009/10, 10/11, 12/13). Please highlight which of the 15 compressor units have operated on average more than 2,000 per annum during that time.		
Notes on question			
Answer	Please see attached spreadsheet which details the running hours of the 15 units from the 9 sites most likely to benefit from VECTOR, from 2009 to 2013. We have also highlighted the cells <b>yellow</b> where the units have operated for more than 2,000 hours in that year.
