

Appendix 6

To: All holders of an electricity transmission licence

NOTICE UNDER SECTION 11A(2) OF THE ELECTRICITY ACT 1989

The Gas and Electricity Markets Authority ("the Authority") hereby gives notice pursuant to section 11A(2) of the Electricity Act 1989 ("the Act") as follows:

1. The Authority proposes to modify all electricity transmission licences granted or treated as granted under section 6(1)(b) of the Act by amending Standard Conditions A1 (Definitions and interpretation), A4 (Payments by Licensee to the Authority), B1 (Regulatory Accounts), C3 (Balancing and Settlement Code (BSC)), C10 (Connection and Use of System Code (CUSC)) and E2 (Regulatory Accounts).
2. The reason why the Authority proposes to make these licence modifications is to reflect the changes brought about by the Public Bodies (Abolition of the National Consumer Council and Transfer of the Office of Fair Trading's Functions in relation to Estate Agents etc) Order 2014. It is expected that the National Consumer Council ("NCC") will be abolished from 1 April 2014 and that certain functions of the NCC will be transferred to Citizens Advice and Citizens Advice Scotland. As we anticipate that these changes will take effect from 1 April 2014, we are not proposing to give effect to the proposed licence modifications set out in this notice until then.
3. The effect of the proposed modifications is to:
 - a. amend the definition for 'National Consumer Council';
 - b. replace any reference to 'the National Consumer Council' with 'Citizens Advice' and/or 'Citizens Advice Scotland';
 - c. insert the definition of 'Citizens Advice' and 'Citizens Advice Scotland'; and
 - d. recover expenses in relation to the transfer of functions from the NCC to Citizens Advice or Citizens Advice Scotland, as the case may be.
4. The attached Schedule to this Notice sets out the proposed modifications to Standard Conditions A1, A4, B1, C3, C10 and E2.
5. Relevant licence holders for the purposes of this Notice are all holders of an electricity transmission licence at the relevant time with Standard Conditions referred to in paragraph 1 in effect in their licence.¹
6. A copy of the proposed modification and other documents referred to in this notice are available on the Ofgem website (www.ofgem.gov.uk).
7. Any representations with respect to the proposed licence modifications must be made on or before 24 January 2014 to: Paul Heseltine, Office of Gas and Electricity Markets, 9 Millbank, London, SW1P 3GE or by email to paul.heseltine@ofgem.gov.uk
8. All responses will normally be published on Ofgem's website. However, if respondents do not wish their response to be made public then they should clearly mark their response as not for publication. Ofgem prefers to receive responses in an electronic form so they can be placed easily on the Ofgem website.

¹ See s11A(10) EA

9. If the Authority decides to make the proposed modification it will take effect not less than 56 days after the decision is published.
