Dear Dora

Notice under section 11A(2) of the Electricity Act 1989 – proposed modifications to Special Condition CRC 7 of the Electricity Distribution Licence

Thank you for the opportunity to comment on the above notice, dated 14 February 2013. This response should be regarded as a consolidated response on behalf of UK Power Networks' three affected distribution licence holding companies: Eastern Power Networks plc, London Power Networks plc, and South Eastern Power Networks plc.

We have reviewed the proposed amendments and we understand the need to change the date in CRC7 to allow a short time to resolve the final queries. We do not wish to make a formal representation in respect of the proposed modification and look forward to working with Ofgem to resolve the outstanding points as soon as possible.

If you have any questions, please do not hesitate to contact Keith Hutton [REDACTED] in the first instance.

Yours sincerely
