

## NG NTS Wider Impacts (Beyond the UNC)

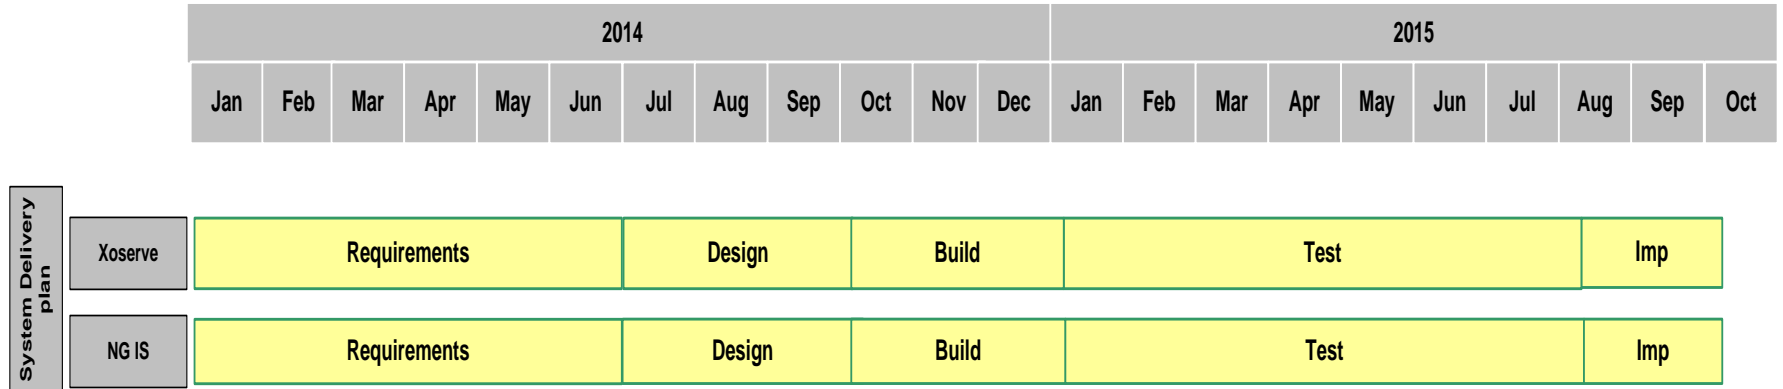

Hayley Burden  
Ofgem Open Meeting 12th February 2014

# NG NTS Wider Impacts Estimated Timeline

# NG NTS Estimated System Implementation Timeline

- System implementation stages and timescales apply to the Gas Day (Mod 0461 & wider impacts) and the other Phase 2 EU changes

## Engagement with Upstream Parties

---

- NG NTS has been working with OGUK, CVSL and Gas Forum to assess the feasibility operating different Gas Days
- Identification of key industry data flows between the offshore and onshore parties (See Appendix 1)
- Assessment of the impacts of the offshore regime remaining on a 06:00-06:00 Gas Day while onshore operates a 05:00-05:00 Gas Day
  - Shipper Nominations & DFNs from Terminal Operators
  - Shipper Validated Claims (CVA)

# Appendix 1: Key Industry Data Flows
