Dear Colleagues,

**MODIFICATION OF THE STANDARD CONDITIONS OF THE ELECTRICITY SUPPLY LICENCE UNDER SECTION 11A OF THE ELECTRICITY ACT 1989 – correction of typographical error to licence condition attached to modification**

Our modification published on 7 May 2014, titled Modification of the Standard Conditions of the Electricity Supply Licence under section 11A of the Electricity Act 1989<sup>1</sup> contained a minor drafting error. The modification inserted a new definition:

- **Condition 1. Definition for standard conditions**

*[Insert new definition in SLC 1.2]*

However, the reference to the paragraph 1.3 in the relevant standard licence condition is incorrect and it should state:

- **Condition 1. Definition for standard conditions**

*[Insert new definition in SLC 1.3]*

This letter serves as an addendum to the published modification. No other corrections are made to licence conditions attached to the notices.

Yours faithfully,

**Rob Church**  
**Associate Partner, Smart Metering and Smarter Markets**  
**Ofgem**
