Dear Rhianne,

**Statutory consultation on modifying Special Condition 11F of the gas transporter licence of National Grid plc.**

Scotia Gas Networks (SGN) welcomes the opportunity to respond to Ofgem's statutory consultation which proposes modifications to Special Condition 11F of National Grid plc's gas transporter licence.

SGN is supportive of Ofgem's proposed amendments that allow the recovery of an additional £5.781m of operational expenditure in the 2015/16 financial year. We therefore consider the proposed total amount of transportation charges to be recovered under Special Condition 11F for the 2015/16 year, amounting to £17.226m, to be accurate and appropriate.

Should require any further information, or background to this response, then please do not hesitate to contact me at [paul.mitchell@sgn.co.uk](mailto:paul.mitchell@sgn.co.uk) or on 07584 011046.

Yours sincerely,

Paul Mitchell
