

Electricity settlement expert group – Agenda

Meeting: Electricity settlement expert group – meeting four

Date/Time: 3 September 2014 10.00 – 15:10

Location: Ofgem, 9 Millbank, London SW1P 3GE

Chair: Jonathan Amos

Time	Item	Subject	Paper #	Owner	Purpose
10:00	1	Welcome and introductions	n/a	Chair	
10:10	2	Review minutes from meeting three	4.1	Chair	For discussion
10:20	3	The Irish approach to smarter markets	n/a	CER	For information
		<i>The Irish energy regulator, the Council for Energy Regulation, will present an overview of their work on smart metering, time of use tariffs and settlement. There will be the opportunity for questions and answers.</i>			
11:30	4	Introductory discussion on transition	4.2	Ofgem	For discussion
		<i>Ofgem has identified a number of considerations to take into account when developing options for transition to using half-hourly data in settlement. A paper setting out this analysis will be circulated in advance of the meeting. The group will be asked for their views on Ofgem's initial thinking – this will include smaller breakout sessions to facilitate discussion.</i>			
13:00	Lunch				
13:30	5	Detailed discussion on options for Data Processing and Data Aggregation functions	n/a	Ofgem	For discussion
		<i>At the last meeting Ofgem presented its initial thinking on this topic for the group to discuss. In light of this discussion, Ofgem will here present a revised range of options for further discussion.</i>			
15:00	6	Wrap up and AOB	n/a	Chair	For discussion
