# MODIFICATION OF THE STANDARD CONDITIONS OF GAS SUPPLY LICENCES GRANTED UNDER SECTION 7A(1) OF THE GAS ACT 1986.

# Whereas –

- 1. Each of the companies to whom this document is addressed (a Licence Holder) has been granted (or is otherwise treated as having been granted) a licence (a Licence) under section 7A(1) of the Gas Act 1986 (the Act).
- In accordance with section 23(2) of the Act the Gas and Electricity Markets Authority (the Authority) gave notice on 30 July 2014 (the Notice) that it proposed to modify standard conditions 1 and 7A of gas supply licences and required any representations to the modification to be made on or before 28 August 2014.
- In accordance with section 23(4)(b) of the Act, the Authority gave notice of its intention to make the modifications to the Secretary of State and has not received a direction not to make the modification.
- 4. Prior to the close of the consultation period in respect of the Notice, the Authority received 18 responses. All non-confidential responses have been placed on the Ofgem website. Our response to these comments is set out in the accompanying decision letter.
- 5. The Authority has carefully considered all representations received in relation to the proposed modifications and has decided to proceed with all of the modifications proposed in the Notice.
- 6. In accordance with section 38A of the Act, the reasons for making the licence modifications are to provide micro-business consumers with clearer information when they renew a contract and more consistent termination notice periods. Further details of the reasons for the licence modification can be found in the following documents:
  - a. 'Proposals for non-domestic automatic rollovers and contract renewals', 14 February 2014;<sup>1</sup> and
  - b. 'Statutory consultation on non-domestic automatic rollovers and contract renewals',<sup>2</sup> 30 July 2014.
- 7. The effects of the modifications are described in the documents referred to in paragraph 6 of this Notice and the accompanying decision letter. They are summarised in the table below:

- 8. The Authority considers it necessary to make minor alterations to the modifications set out in the Notice. These alterations are highlighted in yellow in the attached Schedule 1. The reason for the differences between the modifications set out in the Notice and the modifications reflected in Schedule 1 is to correct minor drafting inconsistencies.

The attached Schedule 2 provides a list of the relevant licence holders in relation to this modification notice. The meaning of 'relevant licence holder' is set out in section 23(10) of the Act.

- (b) where the <del>Domestic</del> Customer has held their Domestic Supply Contract <u>or</u> <u>Micro Business Consumer Contract (as applicable)</u> for:
  - (i) less than 12 months; or
  - (ii) at least 12 months and the licensee has not obtained actual meter readings (including meter readings provided by the <del>Domestic</del> Customer and accepted by the licensee in accordance with standard condition 21B) which can reasonably be considered to cover the whole of that 12 month period,

# Standard Condition 7A. Supply to Micro Business Consumers

#### **Identification and treatment of Micro Business Consumers**

- 7A.1 If the licensee intends to:
  - (a) enter into a Non-Domestic Supply Contract with a Customer; or
  - (b) extend the duration of a Non-Domestic Supply Contract (including the duration of any fixed-term period which may form part of a Contract of an indefinite length)

the licensee must either take all reasonable steps to identify whether that Non-Domestic Customer is a Micro Business Consumer, or deem that Non-Domestic Customer to be a Micro Business Consumer.

7A.2 Where any Contract or Contract extension as described in paragraph 7A.1 is entered into with a Non-Domestic Customer that has been identified as, or deemed to be, a Micro Business Consumer, that Contract shall be a "Micro Business Consumer Contract" for the purposes of this Condition.

7A.3 The licensee must not include a term in a Micro Business Consumer Contract which enables it to terminate the Contract or apply different terms and conditions to that Contract during a fixed-term period on the grounds that the Customer no longer satisfies the definition of Micro Business Consumer.

# Notification of Micro Business Consumer Contract terms and other information

- 7A.4 Before the licensee enters into a Micro Business Consumer Contract, it must take all reasonable steps to bring the following information to the attention of the Micro Business Consumer and ensure that the information is communicated in plain and intelligible language:
  - (a) a statement to the effect that the licensee is seeking to enter into a legally binding Contract with the Micro Business Consumer; and
  - (b) the Principal Terms of the proposed Contract.
- 7A.5 The licensee must ensure that all the express terms and conditions of a Micro Business Consumer Contract are:
  - (a) set out in Writing; and
  - (b) drafted in plain and intelligible language.
- 7A.6 Where the licensee enters into, or extends the duration of, a Micro Business Consumer Contract for a fixed-term period, it must prepare a statement (hereafter referred to as a "Statement of Renewal Terms") which:
  - (a) is set out in Writing;
  - (b) is drafted in plain and intelligible language;
  - (c) displays the following information in a prominent manner:
    - (i) the date the fixed-term period is due to end, or if that date is not ascertainable the duration of the fixed-term period;
    - (ii) the Relevant Date, or if not known at the time of providing the Statement of Renewal Terms, a description of how the Relevant Date will be calculated by reference to the end of the fixed-term period;
    - (iii) (if applicable) a statement to the effect that the Micro Business Consumer may send a notification in Writing to the licensee at any time before the Relevant Date in order to terminate the Micro Business Consumer Contract with effect from the end of any fixed-term period which currently applies and, where paragraph 7A.13 applies, in order to prevent the licensee from extending the duration of the Micro Business Consumer Contract for a further fixed-term period and in order to terminate the Micro Business Consumer Contract with effect from the end of any fixedterm period which currently applies;
    - (iv) a postal and Electronic Communication address to which the Customer may send a notification in Writing for that purpose; and
    - a statement explaining the consequences of the Micro Business Consumer not renewing the Micro Business Consumer Contract or agreeing a new Contract before the Relevant Date.
- 7A.7 Where the licensee enters into or extends the duration (including the duration of any fixed-term period) of a Micro Business Consumer Contract, it must take all reasonable steps to provide the Micro Business Consumer with the following information within 10 days, or do so as soon as reasonably practicable thereafter:
  - (a) a copy of all the express terms and conditions of the Micro Business Consumer Contract; and
  - (b) if the Micro Business Consumer Contract contains a fixed-term period, the Statement of Renewal Terms.

  - (i) a copy of any-the relevant Principal Terms-that might apply to the Micro Business Consumer after the fixed-term period of the Micro Business Consumer Contract ends, including: terms that would apply in the event the Customer does nothing which might apply to the Micro Business Consumer after the current fixed-term period of the Micro Business Consumer Contract ends, including in the event that the Customer does nothing and the licensee extends the duration of the Contract in accordance with paragraph 7A.13A; and
  - (ii) a copy of the Principal Terms which would apply after the current fixedterm period of the Micro Business Consumer Contract ends, in the event that the Customer sends (or has already sent) a notice in Writing before the Relevant Date to prevent renewal of the Micro Business Consumer Contract but does not appoint another supplier;
- (c) <u>if paragraph 7A.13 does not apply</u>, a copy of the Principal Terms, which would apply if the Customer does not change supplier or does not expressly agree a <u>new Micro Business Consumer Contract or a further fixed</u>-term period of the <u>existing Micro Business Consumer Contract by the date that the current fixed</u>term period is due to end.
- (d) if paragraph 7A.13 applies but the licensee has already prevented the Micro Business Consumer from extending the duration of the Micro Business Consumer Contract for a further fixed-term period, the requirements in paragraph 7A.8(b) shall be replaced with a requirement to provide the Micro Business Consumer with a copy of the Principal Terms which would apply after the current fixed-term period of the Micro Business Consumer Contract ends if the Customer continues to be supplied by the licensee.
- (e) terms that would apply if the Customer sends (or has already sent) a notification in Writing before the Relevant Date to prevent renewal of the Micro Business Consumer Contract but does not appoint another supplier; a statement displaying the Charges for the Supply of Gas which apply to the Customer as at the date on which such statement is provided; and

- 7A.9 Where pursuant to paragraph<u>s 7A.4 or</u> 7A.8 the licensee is required to provide a Micro Business Consumer with any relevant Principal Terms<u>:</u>
  - (a) it must ensure that the Principal Terms are:
    - (i) set out in Writing; and
    - (ii) drafted in plain and intelligible language;
  - (b) <u>if the terms of the Micro Business Consumer Contract provide that the Charges</u> for the Supply of Gas may vary or fluctuate from time to time, it must provide:
    - (i) <u>an</u> explanation that the Charges for the Supply of Gas are subject to change from time to time; and, as applicable,
    - (ii) the precise variations to the Charges for the Supply of Gas or the method by which the Charges for the Supply of Gas will fluctuate automatically; or
    - (iii) where there is no agreed schedule of variations or an agreed fluctuation method in respect of the Charges for the Supply of Gas, information about how the Micro Business Consumer may obtain the current Charges for the Supply of Gas from the licensee.
