Dear Tom,

Re: Statutory Consultation on proposal to modify the calculation of the annual incentive revenue allowance under the Transmission Investment for Renewable Generation (TIRG) mechanism

We have reviewed the proposed licence modification as it relates to Scottish Hydro Electric Transmission plc (SHE Transmission) and agree that the proposed modifications are an appropriate response to the error identified in our licence.

If you wish to discuss this response, please contact me on the details provided above.

Yours sincerely,

Jen Carter

Networks Regulation, Transmission
