European Energy Regulators' Intraday Capacity Pricing Workshop

27 October 2014 from 10:30 to 16:30 CET

This workshop is to present and discuss three expert reports, commissioned by European Regulators to identify possible options to price intraday capacity in line with the requirements of the European Electricity Target Model and the draft guideline on Capacity Allocation and Congestion Management, with Stakeholders to help assist TSOs to develop a pricing solution.

Day and panel-chair: Mark Copley (Ofgem)

Location of workshop: CEER Offices, Brussels

Route:
