Dear Mr. Hennity,

Response to consultation on proposal to modify Standard Licence Condition 30 (Regulatory Accounts)

I am writing on behalf of ES Pipelines Ltd, ESP Connections Ltd, ESP Networks Ltd and ESP Pipelines Ltd (collectively 'ESP'), in response to Ofgem's *'Proposal to modify Standard Licence Condition 30 (Regulatory Accounts) of the Gas Transporters Licence and make consequential modifications to Standard Licence Condition 1 (Definitions), Standard Licence Condition 44 (Availability of Resources) and Standard Licence Condition 30A (Change of Financial Year)'* document, published 11 November 2014.

ESP has reviewed the changes internally and is supportive of the licence drafting, as proposed.

We appreciate the opportunity to respond and I welcome any questions or queries you may have in relation to ESP's response.

Yours sincerely,

Adam Pearce
