

Making a positive difference
for energy consumers

Capacity Market Rules Change

Reference number (to be
completed by Ofgem):
P062

Name of Organisation(s) / individual(s): National Grid Electricity Transmission Ltd	Date Submitted: 23/01/2015
Type of Change: <input type="checkbox"/> Amendment <input type="checkbox"/> Addition <input type="checkbox"/> Revoke <input checked="" type="checkbox"/> Substitution	If applicable, whether you are aware of an alternative proposal already submitted which this proposal relates to: No
What the proposal relates to and if applicable, what current provision of Rules the proposal relates to (please state provision number): Rule 3.12.1 and 3.4.9: All applicants are required to submit a prequalification certificate, certificate of conduct and make a declaration that everything is true and accurate (Rule 3.12.1). Additionally Rule 3.4.9 requires applicants to make declarations which duplicate those included in the certificate of conduct.	
Description of the issue that the change proposal seeks to address: This proposal seeks to reduce the number of additional documents applicants are required to submit and streamline the prequalification process.	
If applicable, please state the proposed revised drafting (please highlight the change): Combine exhibits A and C and Rule 3.12.1 into a single certificate. Amend or remove Rule 3.4.9. Amend Rule 3.12.1 to reflect the updated certificates.	
Analysis and evidence on the impact on industry and/or consumers including any risks to note when making the revision - including, any potential implications for industry codes: Stakeholder feedback indicated that the declarations were duplicated across the application and the additional certificates which made the application significantly larger than was necessary. Stakeholders also commented on the volume of additional documents and expressed a desire for the number to be reduced.	
Details of Proposer (please include name, telephone number, email and organisation): James Greenhalgh, Capacity Mechanism Manager, National Grid Electricity Transmission, james.greenhalgh@nationalgrid.com, 01926 656169
