

Making a positive difference  
for energy consumers

## Capacity Market Rules Change

Reference number (to be  
completed by Ofgem):  
**P078**

**Name of Organisation(s) / individual(s):**  
National Grid Electricity Transmission Ltd

**Date Submitted:**  
23/01/2015

**Type of Change:**

- Amendment  
 Addition  
 Revoke  
 Substitution

**If applicable, whether you are aware of an alternative proposal already submitted which this proposal relates to:**

No

**What the proposal relates to and if applicable, what current provision of Rules the proposal relates to (please state provision number):**

The price taker threshold is assumed to be at a bidding round price floor.

**Description of the issue that the change proposal seeks to address:**

This assumption is not defined in the rules but should be for clarity.

**If applicable, please state the proposed revised drafting (please highlight the change):**

Add to definitions or include in chapter 6.

**Analysis and evidence on the impact on industry and/or consumers including any risks to note when making the revision - including, any potential implications for industry codes:**

DECC have confirmed that the price taker threshold will be at a bidding round price floor, but if it was not there would be a significant systems impact so for comfort and clarity we believe this should be included in the Rules.

**Details of Proposer (please include name, telephone number, email and organisation):**

James Greenhalgh,  
Capacity Mechanism Manager,  
National Grid Electricity Transmission,
