If applicable, whether you are aware of an alternative proposal already submitted which this proposal relates to:

What the proposal relates to and if applicable, what current provision of Rules the proposal relates to (please state provision number):

Amend Rule 3.4.3 to add an additional requirement for all CMUs such that evidence (via lease, deed or contract) that the Applicant has the legal right to use the land upon which the CMU is located is provided to the Delivery Body during Prequalification.

Description of the issue that the change proposal seeks to address:

This requirement will ensure an even playing field for all auction participants and reduce the potential for speculative participation in the auction that could have a detrimental impact on competition and transparency. It will also ensure that participants who ensure that all auction participants are not disadvantaged by business practices that have the potential to bring disrepute to the industry, the Delivery Body, the Capacity Market, the Authority, and the government.

If applicable, please state the proposed revised drafting (please highlight the change):

3.4.3.a iv (new)

The documentary evidence that the applicant has the legal right to use the land upon which the (existing or potential) CMU is located.

Analysis and evidence on the impact on industry and/or consumers including any risks to note when making the revision - including, any potential implications for industry codes:
