		<b>Reference number</b> (to be completed by Ofgem): <b>P086</b>
<b>Name of Organisation(s) / individual(s):</b> DECC	<b>Date Submitted:</b> 12/02/15	
<b>Type of Change:</b>  <input checked="" type="checkbox"/> <b>Amendment</b>  <input type="checkbox"/> <b>Addition</b>  <input type="checkbox"/> <b>Revoke</b>  <input type="checkbox"/> <b>Substitution</b>	<b>If applicable, whether you are aware of an alternative proposal already submitted which this proposal relates to:</b>  Proposals 060 and 066, submitted by National Grid, relates to similar issues.	
<b>What the proposal relates to and if applicable, what current provision of Rules the proposal relates to (please state provision number):</b>  Amendment to the 24 month period referenced in Rules 3.6.1 and 3.6.2		
<b>Description of the issue that the change proposal seeks to address:</b>  Amendment to allow applicants to confirm settlement period data and Grid Code compliance for the 24 months prior to one month in advance of the prequalification window. Current arrangements present difficulties for Directors' signing off the accuracy of an application that relates to a period right up to the start of the prequalification window.		
<b>If applicable, please state the proposed revised drafting (please highlight the change):</b>  In Rule 3.6.1 and Rule 3.6.2, before "the start of the Prequalification Window", in each place in which it occurs, insert "the date one month before".		
<b>Analysis and evidence on the impact on industry and/or consumers including any risks to note when making the revision - including, any potential implications for industry codes:</b>  Amendment to enable Directors' to sign off the accuracy of a prequalification application.		
<b>Details of Proposer (please include name, telephone number, email and organisation):</b>  Simon Francis, DECC
