Dear Neil,

**Statutory consultation on proposed modifications to Special Condition 3I
(The Network Innovation Competition): Scottish Hydro Electric Transmission
plc and SP Transmission plc**

SPEN have been actively engaged with electricity distributors to share the learning from VISOR project, which is funded under the NIC regime. We are fully supportive and appreciate the importance of knowledge dissemination within network innovation. Therefore, we support the proposed change Special licence Condition 3I.

Yours sincerely,

Stephanie Rogan
