Dear Raymond,

**Re: Consultation on a proposed licence
modification to set objectives for the Master
Registration Agreement**

I am writing in response to the requested views on the consultation on a proposed licence modification to set objectives for the Master Registration Agreement. We have responded to the five questions. Please see the table below.

Warm regards

Question	Spark Response
Do you agree with the drafting of the proposed objectives in Appendix 1?	Yes
Do you agree with the proposed changes to the decision-making, reporting and appeal provisions?	Yes
Do you agree with the proposed deletions of SLCs 23.3(f) and 23.4, given that these matters will be covered by the new objectives?	Yes
Do you think it is necessary to have a specific objective (SLC 23.3A(f)) covering the MRA interactions with the Green Deal? If so, do you agree with the proposed drafting of SLC 23.3A(f)? If not, how could these interactions be accounted for under the other proposed objectives?	Yes
Do you have any other suggestions for the drafting?	No
