**Electricity Act 1989
Section 11A(1)(a)**

**MODIFICATION OF THE ELECTRICITY TRANSMISSION LICENCE HELD BY
NATIONAL GRID ELECTRICITY TRANSMISSION Plc**

Whereas –

1. National Grid Electricity Transmission Plc (the Licence Holder) is the holder of an electricity transmission licence (the Licence) granted or treated as granted under section 6(1)(b) of the Electricity Act 1989 (the Act).
2. In accordance with section 11A(2) of the Act the Gas and Electricity Markets Authority (the Authority) gave notice on 15 January 2015 (the Notice) that it proposed to modify standard condition C3 of the Licence and required any representations with respect to the proposed modification to be made on or before 12 February 2015.
3. In accordance with section 11A(4)(b) of the Act, the Authority gave notice of its intention to make the modification to the Secretary of State and has not received a direction not to make the modification.
4. Prior to the close of the consultation period in respect of the Notice, the Authority received three responses. All non-confidential responses have been placed on the Ofgem website. Our response to these comments are set out here:
 - [Modification of National Grid Electricity Transmission Plc's electricity transmission licence to enable future expansion of the role of Elexon Limited](#)
5. The Authority has carefully considered in relation to the proposed modification all representations received.
6. The reason the Authority is making this modification is to allow the industry to explore options for potential expansion of Elexon Limited's role, if and when appropriate.
7. The effects of the modification will be:
 - a. To provide clarity in the licence regarding the role of the Balancing and Settlement Code Company (BSCCo) and the Balancing and Settlement Code (BSC) code administrator.
 - b. To allow for the BSC, if appropriate and if approved by the Authority, to contain provisions for the BSCCo to undertake roles beyond the scope of the balancing and settlement arrangements.
8. Further information on the reasons and effects can be found in the following Ofgem documents:
 - a. [Consultation on a potential licence modification to enable future expansion of the role of Elexon Limited](#). Published 26 September 2014.
 - b. [Statutory consultation on a proposed licence modification to enable future expansion of the role of Elexon Limited](#). Published 15 January 2015.
9. Where an application for permission to appeal the Authority's decision is made to the Competition and Markets Authority (CMA) under section 11C of the Act, Rule 5.7

of the CMA's Energy Licence Modification Appeals Rules¹ requires that the appellant must send to any relevant licence holders who are not parties to the appeal a non-confidential notice setting out the matters required in Rule 5.2. The relevant licence holder in relation to this modification notice is National Grid Electricity Transmission Plc. The meaning of 'relevant licence holder' is set out in section 11A(10) of the Act.

Now therefore

In accordance with the powers contained in section 11A(1)(a) of the Act, the Authority hereby modifies the licence of National Grid Electricity Transmission Plc in the manner specified in attached Schedule 1. This decision will take effect on and from 15 May 2015.

This document constitutes notice of the reasons for the decision to modify the electricity transmission licence held by National Grid Electricity Transmission Plc as required by section 49A of the Act.
