**Statoil consultation response on Ofgem's proposals to modify Standard Licence Conditions 14 and 15 of the electricity generation licence**

Dear Sir,

Statoil is supportive of Ofgem's proposal to modify the provision for the exercise of compulsory powers in Standard Licence Condition (SLC) 14 (Compulsory Acquisition of Land etc.) and SLC 15 (Other powers etc.) of the electricity generation licence.

In particular we appreciate the clarification done the other powers of the developers under SLC 15.

Best regards

Torkel Sjoner
