Dear Sirs,

Proposed changes to the recognition process for EU Guarantees of Origin for GB Fuel Mix Disclosure

In regards to the proposals related to the above detailed in the open letter dated 25th February, we would like to take the opportunity to provide our views.

We agree with the proposal requiring suppliers to submit the required information through a template email and a template GoO Excel spreadsheet. We agree that it is a sensible and manageable way to provide the data to Ofgem.

If you would like to discuss this further please feel free to contact me.

Yours sincerely,

Gemma Newsham
Regulations Manager
