Statement of Confirmation

This document must be uploaded to the Ofgem Tendering Portal as part of your Project Information within the 10-day period which starts with the first day following the submission of your expression of interest. If not uploaded by this deadline, your OLR application will be 'void'.

Please note, electronic signatures will not be accepted.

Name of electricity generator: _____

Name of generating station: _____

As a director of the above named electricity generator, I:

- declare that the Project Information submitted to Ofgem by the electricity generator in respect of its expression of interest to enter into a BPPA in respect of the identified generating station is complete, true and accurate
- confirm that the electricity generator meets the warranties set out in, and can comply with the terms of, each BPPA it is seeking to enter into and in respect of which it has submitted a completed Project Information Schedule
- declare that the electricity generator will provide, where requested to do so by licensed electricity suppliers and within a reasonable period of time, such information as may be reasonably required by the electricity supplier for the purposes of enabling the electricity supplier to carry out its due diligence work prior to submitting an OLR Auction Bid, and
- confirm that the electricity generator understand that should it withdraw its expression of interest in respect of the generating station at any time following the submission of the statement of confirmation, or fail to enter into the applicable BPPA within three working days of receiving from Ofgem a copy signed (but undated) by a licensed electricity supplier, it will no longer be eligible to participate in the Power Purchase Agreement Scheme in respect of the generating station.
