The Gas and Electricity Markets Authority(**a**), with the approval of the Secretary of State(**b**), makes the following Regulations in exercise of the powers conferred by sections 6C, 6D and 60 of the Electricity Act 1989(c).

⁽a) The Gas and Electricity Markets Authority was established under section 1(1) of the Utilities Act 2000 (c.27).
(b) In accordance with section 6C(4) of the Electricity Act 1989 (c.29).

⁽c) 1989 c.29; section 6C was inserted by section 92 of the Energy Act 2004 (c.20) and section 6D was inserted by section 44 of the Energy Act 2008 (c.32).

PART 1

INTRODUCTORY

Citation, commencement and revocation

1.—(1) These Regulations may be cited as the Electricity (Competitive Tenders for Offshore Transmission Licences) Regulations <u>20132015</u> and <u>shall</u> come into force on <u>22nd February</u> <u>2013.[insert date].</u>

(2) (2) Subject to regulation 2, the Electricity (Competitive Tenders for Offshore Transmission Licences) Regulations 2010/2013 ("the 2010/2013 Regulations")(d) are revoked.

Transitional Saving and transitional provisions

<u>2.2.</u>—(1) Where the Authority has given notice in respect of the invitation to tender stage for a particular qualifying project in accordance with regulation <u>1517(1)</u> of the <u>20102013</u> Regulations at the date upon which before these Regulations come into force, the <u>20102013</u> Regulations continue to apply in respect of that tender exercise.

(2) If, <u>prior tobefore</u> these Regulations <u>comingcome</u> into force, the Authority has not given the notice referred to in paragraph (1) for a particular qualifying project which is subject to the <u>20102013</u> Regulations—

- (a) a tender exercise in respect of that qualifying project shall, from the date is, after these Regulations come into force, to be treated as having been held and continue as continuing to be held under these Regulations;
- (b) a tender exercise in respect of that qualifying project that complied with all of the applicable requirements of the 20102013 Regulations before they were revoked is not to be treated as defective under these Regulations by virtue only of its failure to comply with the requirements of these Regulations in respect of any aspect of the tender exercise held prior to the date upon which before these Regulations come into force.

PART 2

CALCULATION AND PAYMENT OF COSTS INCURRED IN CONNECTION WITH TRANSMISSION ASSETS FOR A GENERATOR BUILD TENDER EXERCISE

Calculation of costs incurred in connection with transmission assets

4.—(1) In respect of a generator build tender exercise, the Authority <u>shallmust</u> calculate, based on all relevant information available to the Authority at that time, other than <u>further</u> information that the Authority <u>decides</u> required <u>under paragraph (3)</u> and <u>decided</u> not to take into account in accordance with paragraph (7), the economic and efficient costs which ought to be, or ought to have been, incurred in connection with developing and constructing the transmission assets in respect of a qualifying project in accordance with paragraph (2).

(2) The calculation of costs in paragraph (1) shall is to be-

- (a) where the construction of the transmission assets has not reached the stage when those transmission assets are available for use for the transmission of electricity, an estimate of the costs which ought to be incurred in connection with the development and construction of those transmission assets; or
- (b) where the construction of the transmission assets has reached the stage when those transmission assets are available for use for the transmission of electricity, an assessment of the costs which ought to have been incurred in connection with the development and construction of those transmission assets.

(3) In order to provide bidders, qualifying bidders, the preferred bidder, reserve bidder or successful bidder with the most accurate estimate of the costs which ought to be incurred in connection with developing and constructing the transmission assets in respect of a qualifying project, the <u>The</u> Authority may require the developer to provide further information at a particular stage of a tender exercise for the purposes of enabling those bidders, qualifying bidders, or that preferred bidder, reserve bidder or successful bidder to take into account the most accurate estimate of the costs in order to meet any requirements of that particular stage for the purpose of the calculation of costs in paragraph (1).

(4) Where the Authority requires the developer to provide further information in accordance with paragraph (3), the Authority <u>shallmust</u> specify the date by which the developer <u>shallmust</u> provide that information.

(5) Where the Authority considers that the information provided by the developer in accordance with paragraph (3) is a material change from the information already available to the Authority, it may, in order to provide bidders, qualifying bidders, the preferred bidder, reserve bidder or successful bidder with the most accurate estimate of the costs to which the information relates, undertake one or more further estimates of the costs which ought to be incurred in connection with the development and construction of those transmission assets those costs, as it considers necessary, until such time as those the transmission assets are available for use for the transmission of electricity in respect of that qualifying project.

- (6) Where the Authority-
 - (a) has previously estimated the costs in accordance with paragraph (2)(a) or (5); and
 - (b) is satisfied with the evidence provided by the developer that those transmission assets are available for use for the transmission of electricity,

the Authority <u>shallmust</u>, as soon as reasonably practicable, assess the economic and efficient costs which ought to have been incurred in connection with the development and construction of those transmission assets.

(7) The Authority may decide not to take into account any information that is provided after the date specified by the Authority in accordance with paragraph (4) in undertaking any estimates in accordance with paragraph (5) an estimate or an assessment in accordance with paragraph (6) this regulation.

(8) Where the Authority has determined to grant an offshore transmission licence to the successful bidder in respect of a particular qualifying project in accordance with regulation $\frac{2728}{2}(2)$, the assessment undertaken in accordance with paragraph (2)(b) or (6) shallmust be used by the Authority to determine the value of the transmission assets to be transferred to the successful bidder.

Payment of costs incurred by the Authority in connection with transmission assets calculation of costs

5.—(1) Where the Authority has estimated<u>undertaken an estimate of</u> the costs in accordance with regulation 4(2)(a) or 4(5) in relation to a particular qualifying project, it shall, prior to<u>must</u>, before the grant of an offshore transmission licence to the successful bidder in relation to that qualifying project, give notice to the developer to make a payment to the Authority of a sum determined in accordance with<u>an amount equal to</u> the Authority's cost recovery methodology in relation to its costs in estimating the economic and efficient costs which ought to be incurred in connection with developing and constructing the transmission assets in respect of that qualifying project<u>costs in undertaking the estimate</u>.

(2) Where the Authority has assessed<u>undertaken an assessment of</u> the costs in accordance with regulation 4(2)(b) or 4(6) in relation to a particular qualifying project, it shall-must-

- (a) <u>prior tobefore</u> the grant of an offshore transmission licence to the successful bidder in relation to that qualifying project; or
- (b) as soon as reasonably practicable after the generator build tender exercise has been held in accordance with these Regulations,

give notice to the successful bidder to make a payment to the Authority of <u>a sum determined in</u> accordance with<u>an amount equal to</u> the Authority's cost recovery methodology in relation to its costs in assessing the economic and efficient costs which ought to have been incurred in connection with developing and constructing the transmission assets in respect of that qualifying project<u>costs in</u> undertaking the assessment.

PART 3

CALCULATION AND PAYMENT OF COSTS INCURRED IN CONNECTION WITH PRELIMINARY WORKS RELATION TO AN OFTO BUILD TENDER EXERCISE

Calculation of costs incurred in connection with preliminary works<u>and construction phase</u> <u>contracts</u>

6.—(1) In respect of <u>preliminary works for a project that is, or is intended to meet the</u> requirements for, an OFTO build qualifying project as determined in accordance with regulation 8(4)(b), the Authority shall calculate, based on all relevant information available to the Authority at that time, other than information that the Authority decides not to take into account in accordance with paragraph (7), the Authority must calculate—

- (a) the economic and efficient costs which ought to be, or ought to have been, incurred by the <u>developer</u> in connection with obtaining those works in respect of a qualifying project in accordance with paragraph (2).
 - (i) obtaining the notified preliminary works;

- (ii) <u>finalising all construction phase contracts, if any, that are notified in accordance with</u> regulation 8(3); and
- (b) the economic and efficient costs which ought to be incurred by the successful bidder after it is granted the offshore transmission licence relating to the project, in making payments to the contractor under each construction phase contract, if any, that is notified in accordance with regulation 8(3).
- (2) The calculation of <u>the costs referred to in paragraph (1) shall(a)(i) is to be</u>
 - (a) where the <u>notified</u> preliminary works have not reached the stage at which all those preliminary works have been obtained by the developer in respect of a particular qualifying project, an estimate of the costs which ought to be incurred in connection with obtaining those preliminary works; or
 - (b) where the <u>notified</u> preliminary works have reached the stage at which all those preliminary works have been obtained by the developer in respect of a particular qualifying project, an assessment of the costs which ought to have been incurred in connection with obtaining those preliminary works.
- (3) The calculation of the costs referred to in paragraph (1)(a)(ii) or (b) is to be-
 - (a) where the calculation is completed before publication of the notice referred to in regulation 20(1), an estimate of those costs; or
 - (b) where the calculation is completed after publication of the notice referred to in regulation 20(1), an assessment of those costs.

(4) The calculations of the costs referred to in paragraph (1) must be based on all relevant information available to the Authority at the time, other than further information that the Authority required under paragraph (5) and decided not to take into account in accordance with paragraph (9).

(5) (3) In order to provide bidders, qualifying bidders, the preferred bidder, reserve bidder or successful bidder with the most accurate estimate of the costs which ought to be incurred in connection with obtaining the preliminary works in respect of a qualifying project, the The Authority may require the developer to provide further information at a particular stage of a tender exercise for the purposes of enabling those bidders, qualifying bidders, or that preferred bidder, reserve bidder or successful bidder to take into account the most accurate estimate of the costs in order to meet any requirements of that particular stage for the purpose of the calculation of costs in paragraph (1).

<u>(6)</u> (4)-Where the Authority requires the developer to provide further information in accordance with paragraph (35), the Authority shall<u>must</u> specify the date by which the developer shall<u>must</u> provide that information.

(7) (5)—Where the Authority considers that the information provided by the developer in accordance with paragraph (35) is a material change from the information already available to the Authority, it may, in order to provide bidders, qualifying bidders, the preferred bidder, reserve bidder or successful bidder with the most accurate estimate of the costs to which the information relates, undertake one or more further estimates of the costs which ought to be incurred in connection with obtaining the preliminary works, as it considers necessary, until such time as all those preliminary works have been obtained by the developer in respect of that qualifying projecthose costs, until such time as it is possible to undertake an assessment of the costs.

(8) (6) Where the Authority–

- (a) has previously estimated undertaken an estimate of the costs referred to in accordance with paragraph (21)(a)(i), (a)(ii) or (5b); and
- (b) is satisfied with the evidence provided by the developer that all those preliminary works have been obtained by the developer, the Authority shall<u>must</u>, as soon as reasonably practicable, assess the economic and efficient costs which ought to have been incurred in connection with obtaining those works<u>undertake</u> an assessment of those costs.

(9) (7) The Authority may decide not to take into account any information that is provided after the date specified by the Authority in accordance with paragraph (46) in undertaking any estimates

in accordance with paragraph (5) or an estimate, or an assessment, of the costs referred to in accordance with paragraph ($\frac{61}{(a)(i)}$, $\frac{(a)(ii) \text{ or } (b)}{(a)(i)}$.

(10) (8)-Where the Authority has determined to grant an offshore transmission licence to the successful bidder in respect of a particular qualifying project in accordance with regulation $\frac{2728}{2}(2)$; the assessment undertaken in accordance with the Authority's assessments of the costs referred to in paragraph ($\frac{21}{ba}$) or (6) shall(i) and (ii) must be used by the Authority to determine the value of the preliminary works to be transferred to the successful bidder.work in—

- (a) obtaining the notified preliminary works; and
- (b) finalising the construction phase contracts that are to be transferred to the successful bidder.

(11) Where the Authority has determined to grant an offshore transmission licence to the successful bidder in respect of a particular qualifying project in accordance with regulation 28(2), the Authority's assessment of the costs referred to in paragraph (1)(b) must be used by the Authority to determine the amount by which the person granted the offshore transmission licence will be reimbursed for making payments to the contractor under each construction phase contract.

Payment of costs incurred by the Authority in connection with <u>calculations relating to</u> preliminary works <u>calculation of costs and construction phase contracts</u>

7.—(1) Where Subject to paragraph (2), where the Authority has estimated the undertaken an estimate of costs in accordance with regulation 6(2)(a) or 6(5) in relation to a particular qualifying project, it shall, prior to must, before the grant of an offshore transmission licence to the successful bidder in relation to that qualifying project, give notice to the developer to make a payment to the Authority of a sum determined in accordance with the Authority's cost recovery methodology in relation to its costs in estimating the economic and efficient costs which ought to be incurred in connection with obtaining the preliminary works in respect of that qualifying projectan amount equal to the Authority's costs in undertaking the estimate.

(2) Paragraph (1) does not apply to any costs recovered by the Authority under regulation 9(5).

(3) (2)-Where the Authority has assessed the<u>undertaken an assessment of</u> costs in accordance with regulation 6(2)(b) or 6(6) in relation to a particular qualifying project, it shall, prior to<u>must</u>, before the grant of an offshore transmission licence to the successful bidder in relation to that qualifying project, give notice to that successful bidder to make a payment to the Authority of a sum determined in accordance with<u>an amount equal to</u> the Authority's cost recovery methodology in relation to its costs in assessing the economic and efficient costs which ought to have been incurred in connection with obtaining the preliminary works in respect of that qualifying project<u>costs in</u> undertaking the assessment.

PART 4

QUALIFYING PROJECTS AND DEVELOPER[•]S PAYMENT PAYMENTS AND SECURITY

Qualifying projects

8.—(1) A developer who wishes the Authority to publish a notice in accordance with regulation 1112(1) in order to commence a tender exercise, <u>shall must</u> make a request to that effect in writing to the Authority.

(2) <u>AThe</u> request <u>made in accordance with paragraph (1)</u>-must specify whether the project is intended to meet the requirements of paragraph $(4\underline{6})(a)$ or (b).

(3) Where a project is intended to meet the requirements of paragraph (6)(b), the request must include notice of—

(a) the preliminary works that the developer has obtained or intends to obtain;

(b) <u>each construction phase contract, if any, that is to be executed by, or novated to, or the benefit of which is to be transferred to, the successful bidder or a person nominated by the successful bidder.</u>

(4) Where a request includes notice of a construction phase contract, the request must be accompanied by a payment of an amount determined by the Authority in accordance with regulation 9(4).

(5) (3) Where the Authority has received one or more requests in accordance with paragraph (1) this regulation, the Authority shallmust, as soon as reasonably practicable thereafter, determine whether each of those requests relates to a qualifying project in accordance with paragraph (46).

(6) (4) A qualifying project is a project in respect of which the Authority is satisfied that-

- (a) in the case of a request for a generator build tender exercise, it is one where either <u>each</u> requirement specified in paragraph 2 of Schedule 1—
 - (i) the requirements specified in paragraph 2 of Schedule 1-havehas been met; or
 - (ii) the provision specified in is deemed to have been met pursuant to paragraph 3 of Schedule 1-applies; or
- (b) in the case of a request for a tender exercise other than a generator<u>an OFTO</u> build tender exercise, it is one where the requirements<u>each requirement</u> specified in paragraph 1 of Schedule 1-have been met.

(5) For the purposes specified in paragraph (4)(b), the Authority may determine that the requirement in paragraph 1(a) of Schedule 1 is met where

- (a) the connection offer has been referred to the Authority for determination in accordance with the provisions of a transmission licence; and
- (b) the matter that has been referred to the Authority would not, in the opinion of the Authority, have a material impact on the design of the changes required to be made to the transmission system as specified in that connection offer.
 - (i) has been met; or
 - (ii) is deemed to have been met pursuant to paragraph 3 of Schedule 1.

(7) (6) The Authority may require the developer to provide any other information it considers necessary in order to carry out its assessment in relation to $\frac{\text{paragraphs}_{\text{paragraph}}}{\text{paragraph}}$ 1, 2 or 3 of Schedule 1.

(8) (7) Where the Authority determines that a request relates to a qualifying project in accordance with paragraph (36), it shallmust give notice to that effect to the developer who made the request.

(9) (8) Where the Authority determines that a request does not relate to a qualifying project in accordance with paragraph ($\frac{36}{5}$), it <u>shallmust</u> give notice to that effect to the developer who made the request and give reasons for its determination.

(10) (9)-Where the developer disagrees with the Authority's determination as notified to the developer in accordance with paragraph ($\frac{89}{2}$), the developer may make representations in writing to the Authority within seven days from receipt of after the day on which the notice is received.

(11) (10) The Authority shallmust consider any representations received from a developer in accordance with paragraph (910) and decide whether to amend its determination made in accordance with paragraph (36).

(12) (11) The Authority shallmust give notice to the developer of the decision made in accordance with paragraph ($\frac{1011}{10}$) and give reasons for its decision.

Developer's payment for early evaluation of construction phase contracts

<u>9.</u>—(1) A developer may apply to the Authority for a determination of the amount of the payment referred to in regulation 8(4).

(2) The application must include information about each construction phase contract that the developer intends to notify in a request made under regulation 8.

(3) The Authority may require the developer to provide any other information it considers necessary in order to make a determination in accordance with paragraph (4).

(4) Where the Authority receives an application in accordance with paragraph (1) it must, as soon as reasonably practicable, notify the developer of the amount that the Authority determines is likely to be equal to the relevant tender costs.

(5) Where a request made under regulation 8 is accompanied by a payment, the Authority must recover its relevant tender costs, if any, from the payment and return the remaining payment, including any interest which accrued on the payment, to the developer as soon as reasonably practicable after—

- (a) the Authority completes the estimate, and makes the determination, referred to in paragraph (6);
- (b) the Authority notifies the developer, in accordance with regulation 8(9), that the request does not relate to a qualifying project and the developer does not make representations in accordance with regulation 8(10);
- (c) the Authority notifies the developer, in accordance with regulation 8(12), that the request does not relate to a qualifying project;
- (d) the developer withdraws the request; or
- (e) the Authority receives payment and security from the developer in accordance with regulation 10(1),

whichever occurs earlier.

(6) In this regulation, "relevant tender costs" means the total costs incurred by the Authority in-

- (a) <u>undertaking an estimate, under regulation 6, of the costs which ought to be incurred under</u> <u>each construction phase contract in payments to the contractor;</u>
- (b) determining whether each construction phase contract meets the requirement at paragraph 1(d) of Schedule 1.

Developer's payment and security to commence tender exercise

<u>**10.9.** Prior to (1) Before</u> publishing a notice in accordance with regulation <u>**11**,12(1)</u>, in respect of a qualifying project, the Authority <u>shallmust</u> give notice to the developer <u>of requiring the developer to</u>

- (a) the amount of make a payment that to the Authority requires to be paid by the developer in relation to of an amount determined by the Authority to be reasonable for the purpose of recovering the Authority's tender costs-as calculated in accordance with the Authority's cost recovery methodology; and
- (b) the security that<u>provide</u> the Authority requires to be provided by the developer or such other person with whom the developer has made arrangements and has been with security, in a form approved by the Authority, in relation to respect of any liability that the developer has, or may in the future have, under these Regulations in respect of the Authority's tender costs as calculated in accordance with the Authority's cost recovery methodology.

(2) The developer may satisfy a requirement to provide security by arranging for a person approved by the Authority to provide the security.
