Dear Andrew Burgess

Thank you for your consultation letter dated 25 June on the above topic. WPD do not wish to make any objections or further representations on this topic.

In line with usual practice our 2015 NIC documentation is now at final sign off stage and we would like to submit it ahead of the deadline. I would therefore appreciate early notification as to whether you receive objections by the 23 July consultation deadline. I will then be able to submit electronic and paper copies of our NIC documentation with the appropriate interest rate assumptions.

Yours sincerely

Roger Hey
