

Open letter consultation on the Incentive on Connections Engagement:
Looking Forward reports 2015/16
Response received by email dated 13 August 2015

Dear Sir/Madam,

With regards to SSEPD's Looking Forward Report: 'Plans and commitments for connections customers 2015/16', Smarter Grid Solutions is encouraged by this comprehensive work plan and strongly approve of its efforts to provide connections customers with high quality information over multiple mediums throughout the connections process. As advocates of alternative means of providing connections using the latest advancements in technology to the benefit of the customer, Smarter Grid Solutions is delighted to see SSEPD creating awareness of Active Network Management and its associated benefits. We believe SSEPD has set out relevant outputs for the coming year and wish them every success in achieving them to the benefit of their customers and the wider community.

Yours Sincerely,

Colin Gault
