

**Open letter consultation on the Incentive on Connections Engagement:  
Looking Forward reports 2015/16  
Response received by email from Irons Foulner**

Ofgem have published an [open letter](#) seeking your views and feedback on our plans. They are keen to hear your thoughts on any aspect of our plans and specifically welcome your views on the following questions:

- Are you satisfied that SSEPD has a comprehensive and robust strategy for engaging with connection stakeholders and facilitating joint discussions where appropriate? **Yes satisfied with strategy to date.**
- Do you agree that SSEPD has a comprehensive work plan of activities (with associated delivery dates) that will meet the requirements of its connection stakeholders? If not, has SSEPD provided reasonable and well-justified reasons? What other activities should the DNOs do? **They do have a comprehensive work plan of activities however in some cases timescales could be improved.**
- Do you consider that SSEPD has set relevant outputs that it will deliver during the regulatory year (eg key performance indicators, targets, etc.)? **Not that we are aware of.**
- Would you agree that the SSEPD's proposed strategy, activities and outputs have been informed and endorsed by a broad and inclusive range of connection stakeholders? If they have not been endorsed, has SSEPD provided robust evidence that it has pursued this? **Not to ourselves.**

**I would like to ask that you kindly respond to Ofgem by sending any comments to [connections@ofgem.gov.uk](mailto:connections@ofgem.gov.uk) by 14<sup>th</sup> August 2015.**
