		<p><b>Reference number</b> <i>(to be completed by Ofgem):</i> <b>CP102</b></p>
<p><b>Name of Organisation(s) / individual(s):</b> Association for Decentralised Energy</p>	<p><b>Date Submitted:</b> 15/01/2016</p>	
<p><b>Type of Change:</b></p> <p><input type="checkbox"/> Amendment</p> <p><input type="checkbox"/> Addition</p> <p><input checked="" type="checkbox"/> Revoke</p> <p><input type="checkbox"/> Substitution</p>	<p><b>If applicable, whether you are aware of an alternative proposal already submitted which this proposal relates to:</b> n/a</p>	
<p><b>What the proposal relates to and if applicable, what current provision of Rules the proposal relates to</b> <i>(please state provision number):</i> Publication of information – Rules 5.5.18 and 5.10.6</p>		
<p><b>Description of the issue that the change proposal seeks to address:</b> Rule 5.5.18 states the information that must be announced and published prior to the start of each Bidding Round, and Rule 5.10.6, the information that must be published after the Capacity Market auction has cleared.</p> <p>Publishing details of the capacity that has exited the auction in that Bidding Round, and the full details following the clearing of the auction would produce a more transparent auction process. Increased market transparency of successful and unsuccessful participants' increases market efficiency and ensures that the public and participants can understand what is supported through the Capacity Market.</p>		
<p><b>If applicable, please state the proposed revised drafting</b> <i>(please highlight the change):</i> We propose the addition of Rule 5.5.18(d) to state:</p> <p>“the details of the Capacity that has exited that Bidding Round”</p> <p>Further, the addition of Rule 5.10.6(f) to state:</p> <p>“the details of the Capacity that has exited each Bidding Round”</p>		
<p><b>Analysis and evidence on the impact on industry and/or consumers including any risks to note when making the revision - including, any potential implications for industry codes:</b> There are no implications for industry codes.</p> <p>Allowing the publication of information between bidding rounds will increase the transparency of the Capacity Market auction to all participants. This will promote increased investment and certainty for participants, facilitating a more competitive yet fair process.</p>
