Dear Chris

### **Re-submission of Common Network Asset Indices Methodology**

In line with the Direction issued by Ofgem on 23 October 2015, please find attached an updated version of the Common Network Asset Indices Methodology (version 4), submitted on behalf of all the DNO Groups.

Enclosed with this letter are two further documents;

- Appendix 1 - A summary of the response to the 11 specific points noted in the Direction; and
- Appendix 2 - A description of the combined DNO validation exercise.

As discussed, we will walk Ofgem through the updated Methodology at our meeting on 15 January 2016.

Yours sincerely,
