**Electricity Act 1989
Section 11A(1)(a)**

Modification of the Amended Standard Condition BA2 of the electricity distribution licence held by the Relevant Licence Holders

1. Each of the Relevant Licence Holders is the holder of an electricity distribution licence (‘the Licence’) granted or treated as granted under section 6(1)(c) of the Electricity Act 1989 (‘the Act’).
2. In accordance with section 11A(2) of the Act the Gas and Electricity Markets Authority (‘the Authority’)¹ gave notice on 11 December 2015 (‘the Notice’) that we propose to modify Standard Condition BA2 of the Licence and required any representations to the modification proposal to be made on or before 22 January 2016.
3. A copy of the Notice was sent to the Secretary of State in accordance with section 11A(4)(b) of the Act, and we have not received a direction that the change should not be made.
4. We received one response to the Notice, which we carefully considered. We have placed this response on our website. Our response to this respondent is set out in the accompanying letter.
5. The Authority has carefully considered in relation to the proposed modification all representations received.
6. In accordance with section 49A of the Act, the Authority must give reasons for making the licence modifications. The reason why we are making these licence changes is to make the disapplication procedure consistent with the changes to the Act introduced by the Electricity and Gas (Internal Markets) Regulations 2011.²
7. The effect of the modification will be to amend existing paragraphs 6 to 13³ of Standard Condition BA2 and to introduce new paragraphs to the Standard Condition to ensure that the disapplication procedure in the IDNO licence is consistent with the disapplication procedure in the DNO licence, and consistent with the Act.
8. Where an application for permission to appeal our decision is made to the Competition and Markets Authority (‘CMA’) under section 11C of the Act, Rule 5.7 of

³ The modification amends paragraphs 6-12 for Energetics Electricity Ltd, ESP Electricity Ltd, The Electricity Network Company Ltd and Independent Power Networks Ltd.

the CMA's Energy Licence Modification Appeals Rules⁴ requires that the appellant must send to any relevant licence holders who are not parties to the appeal a non-confidential notice setting out the matters required in Rule 5.2. The attached Schedule 2 provides a list of the relevant licence holders in relation to this modification. Section 11A(10) of the Act sets out the meaning of 'relevant licence holder'.

Under the powers set out in section 11A(1)(a) of the Act, we hereby modify Standard Condition BA2 of the electricity distribution licence of the Relevant Licence Holders in the manner specified in attached Schedules. This decision will take effect on and from 22 April 2016.

This document is notice of the reasons for the decision to modify the electricity distribution licence held by the Relevant Licence Holders as required by section 49A(2) of the Act.

Schedule 1: Changes to Standard Condition BA2(Applicable to Peel Electricity Networks Limited)

Standard Condition BA2. Regulation of charging arrangements

Introduction

1. The licensee must make, and continue to make, charges available, in accordance with the requirements of this condition, for the provision of Use of System to any Authorised supplier of electricity that uses or wishes to use the licensee's Distribution System to supply electricity to Domestic Customers.

Setting and restriction of charges

2. The licensee's Use of System Charges in relation to Domestic Customers may vary according to the Distribution Services Area of the Electricity Distributor within which Domestic Premises are connected to the licensee's Distribution System.
3. The licensee must set those Use of System Charges so that, except with the Authority's consent, the standing charge, unit rate, and any other component of the charges does not exceed the Use of System Charges to equivalent Domestic Customers ("the equivalent charges").
4. For the purposes of paragraph 3, equivalent charges are the Use of System Charges made by the Electricity Distributor which has a Distribution Services Direction that specifies the Distribution Services Area in which the Domestic Premises connected to the licensee's Distribution System are located.
5. The Authority may give the licensee a direction that specifies which of the Use of System Charges made by the Distribution Services Provider for the Distribution Services Area mentioned in paragraph 4 are relevant for the purposes of determining the equivalent charges.

Procedure for disapplying this condition

6. The charging arrangements set out above apply for so long as this licence continues in force but shall cease to have effect (in whole or in part) if the licensee makes a Disapplication Request to the Authority in accordance with will remain in force until such time and in such circumstances as are described in paragraphs 7 to 1813 of this condition and:-
 - (a) the Authority agrees in Writing to the Disapplication Request; or
 - (b) the provisions that are the subject of the Disapplication Request are disappplied by a Disapplication Notice given by the licensee in accordance with the provisions of this condition.
7. The licensee may ask the Authority to consent to the disapplication of this condition (in whole or in part) by giving it a Disapplication Request made in accordance with paragraph 8.

8. A ~~Disapplication Request~~ must ~~shall~~:
- (a) be in Writing addressed to the Authority;
 - (b) specify the paragraph or paragraphs of this condition (or any part or parts thereof) to which the request relates; ~~and~~
 - (c) provide a full statement of the licensee's reasons for making the Disapplication Request;
 - (d) contain such other information or analysis as the licensee considers necessary to enable the Authority fully to assess the Disapplication Request; and
 - (ee) state the date that is proposed by the licensee (which must not be earlier than the date specified in paragraph 9) on and after which the specified paragraph or paragraphs (or any part or parts thereof) would no longer have effect ("the Disapplication Date").
9. Except with the Authority's consent, no disapplication of this condition following its receipt of a ~~Disapplication Request~~ under paragraph 7 may have effect until a date not less than 18 months after delivery receipt of the ~~Disapplication Request~~.

~~10. A Disapplication Request may apply to a specified geographic area. The licensee may withdraw a disapplication request at any time.~~

~~Licensee's right to disapply this condition~~

~~11. If the licensee has given the Authority a disapplication request under paragraph 7, it may subsequently give the Authority a Notice that terminates the application of this condition or the part or parts of it specified in the request:~~

~~(a) in the circumstances described in paragraph 12, with effect from either the disapplication date or such earlier date to which the Authority has given its consent under paragraph 9; or~~

~~(b) in the circumstances described in paragraph 13, with effect from the disapplication date, so long as the licensee gives Notice within 30 days after the publication of the report mentioned in that paragraph.~~

~~12. The circumstances described in this paragraph are these:~~

~~(a) the Authority has not made a reference to the Competition and Markets Authority (CMA) under section 12 of the Act relating to the modification of this condition as specified in the disapplication request before the beginning of the period of 12 months which will end with the disapplication date; and~~

~~(b) the licensee has not withdrawn its request.~~

~~13. The circumstances described in this paragraph are these:~~

~~(a) the CMA has made a report on a reference made by the Authority relating to the modification of this condition as specified in the licensee's disapplication request; and~~

~~(b) the CMA report does not find that the ending of the charging arrangements in this condition, in whole or in part, would operate or might be expected to operate against the public interest.~~

11. If, within 10 working days of receipt of a Disapplication Request, the Authority gives notice to the licensee:

- (a) specifying any further information or analysis that it reasonably considers is required in order to assess the Disapplication Request; and
- (b) requesting the licensee to provide that information or analysis, the Disapplication Request will be treated for the purposes of this condition as not delivered to the Authority until that further information or analysis is provided. If in consequence the Disapplication Date set out in the Disapplication Request no longer complies with paragraph 9, the Disapplication Date shall be treated as being the earliest date that would comply with that paragraph.

12. The giving of notice under paragraph 11 shall not preclude the Authority from making such further requests for information or analysis, or for the reformatting of information or analysis already provided, as it may consider it requires to assess the proposal.

13. The licensee may withdraw a Disapplication Request at any time.

Licensee's right to disapply this condition under a Disapplication Request

14. If the licensee has made a Disapplication Request that complies with the requirements of paragraphs 8 and 9 of this condition, and the circumstances described in paragraphs 15 or 17 of this condition apply, it may subsequently serve a Disapplication Notice on the Authority disapplying some or all of the provisions that are the subject of the Disapplication Request.

Disapplication without involvement of the Competition and Markets Authority

15. The licensee may serve a Disapplication Notice on the Authority if, by the Disapplication Date specified in the relevant Disapplication Request, the Authority has not responded to the request by publishing a decision under section 11A of the Act to modify this condition in either of the ways described in paragraph 16.

16. The ways referred to in paragraphs 15 are:

- (a) modify any of the provisions referred to in the Disapplication Request; or
- (b) modify this condition so as to remove the licensee's right to serve a Disapplication Notice on the Authority in respect of the relevant Disapplication Request.

Disapplication after involvement of the Competition and Markets Authority

17. The licensee may also serve a Disapplication Notice on the Authority if the Authority has published a decision described in paragraph 16 of this condition but:

- (a) the licensee has exercised its right to appeal to the Competition and Markets Authority against the decision of the Authority as provided for by section 11C of the Act;
- (b) the Competition and Markets Authority has quashed the Authority's decision, and has included in its direction to the Authority a provision relating to the right for the licensee to serve a Disapplication Notice on the Authority; and
- (c) no more than 20 working days have elapsed since the date from which the licensee may serve a Disapplication Notice on the Authority under the Competition and Markets Authority's direction.

18. A Disapplication Notice under paragraphs 15 and 17 must also comply with any terms or conditions specified in the Competition and Markets Authority's direction.

19. For the purposes of this condition:

(a) **Disapplication Notice** means a notice served on the Authority in accordance with paragraphs 15 and 17 of this condition disapplying some or all of the provisions the subject of a Disapplication Request.

(b) **Disapplication Request** means a request made to the Authority in accordance with paragraphs 8 and 9 of this condition to disapply some or all of the charging provisions of this condition.

(c) **Writing** includes writing that is sent or received by Electronic Communication.

Schedule 2 – Changes to Standard Condition BA2 (applicable to Harlaxton Energy Network Limited, UK Power Distribution Limited and Utility Assets Limited)

Standard Condition BA2. Regulation of charging arrangements

Introduction

1. The licensee must make, and continue to make, charges available, in accordance with the requirements of this condition, for the provision of Use of System to any Authorised supplier of electricity that uses or wishes to use the licensee's Distribution System to supply electricity to Domestic Customers.

Setting and restriction of charges

2. The licensee's Use of System Charges in relation to Domestic Customers may vary according to the Distribution Services Area of the Electricity Distributor within which Domestic Premises are connected to the licensee's Distribution System.

3. The licensee must set those Use of System Charges so that, except with the Authority's consent, the standing charge, unit rate, and any other component of the charges does not exceed the Use of System Charges to equivalent Domestic Customers ("the equivalent charges").

4. For the purposes of paragraph 3, equivalent charges are the Use of System Charges made by the Electricity Distributor which has a Distribution Services Direction that specifies the Distribution Services Area in which the Domestic Premises connected to the licensee's Distribution System are located.

5. The Authority may give the licensee a direction that specifies which of the Use of System Charges made by the Distribution Services Provider for the Distribution Services Area mentioned in paragraph 4 are relevant for the purposes of determining the equivalent charges.

Procedure for disapplying this condition

6. The charging arrangements set out above apply for so long as this licence continues in force but shall cease to have effect (in whole or in part) if the licensee makes a Disapplication Request to the Authority in accordance with will remain in force until such time and in such circumstances as are described in paragraphs 7 to 13 18 of this condition and:

- (a) the Authority agrees in Writing to the Disapplication Request; or
- (b) the provisions that are the subject of the Disapplication Request are disappplied by a Disapplication Notice given by the licensee in accordance with the provisions of this condition.

7. The licensee may ask the Authority to consent to the disapplication of this condition (in whole or in part) by giving it a Disapplication Rrequest made in accordance with paragraph 8.

8. A Disapplication Rrequest must shall:

- (a) be in Writing addressed to the Authority;

(b) specify the paragraph or paragraphs of this condition (or any part or parts thereof) to which the request relates; ~~and~~
(c) provide a full statement of the licensee's reasons for making the Disapplication Request;
(d) contain such other information or analysis as the licensee considers necessary to enable the Authority fully to assess the Disapplication Request; and
(ee) state the date that is proposed by the licensee (which must not be earlier than the date specified in paragraph 9) on and after which the specified paragraph or paragraphs (or any part or parts thereof) would no longer have effect ("the Deisapplication Date").

9. Except with the Authority's consent, no disapplication of this condition following its receipt of a Deisapplication Rrequest under paragraph 7 may have effect until a date not less than 18 months after receipt of the Disapplication Request, whichever is the later of:

- ~~—— (a) —— a date not less than 18 months after delivery of the disapplication request; and~~
- ~~(b) —— 31 March 2011.~~

~~10. —— The licensee may withdraw a disapplication request at any time.~~

10. A Disapplication Request may apply to a specified geographic area.

11. If, within 10 working days of receipt of a Disapplication Request, the Authority gives notice to the licensee:

- (a) specifying any further information or analysis that it reasonably considers is required in order to assess the Disapplication Request; and
- (b) requesting the licensee to provide that information or analysis, the Disapplication Request will be treated for the purposes of this condition as not delivered to the Authority until that further information or analysis is provided. If in consequence the Disapplication Date set out in the Disapplication Request no longer complies with paragraph 9, the Disapplication Date shall be treated as being the earliest date that would comply with that paragraph.

12. The giving of notice under paragraph 11 shall not preclude the Authority from making such further requests for information or analysis, or for the reformatting of information or analysis already provided, as it may consider it requires to assess the proposal.

13. The licensee may withdraw a Disapplication Request at any time.

Licensee's right to disapply this condition under a Disapplication Request

~~11. —— If the licensee has given the Authority a disapplication request under paragraph 7, it may subsequently give the Authority a Notice that terminates the application of this condition or the part or parts of it specified in the request:~~

- ~~—— (a) —— in the circumstances described in paragraph 12, with effect from either the —— disapplication date or such earlier date to which the Authority has given its consent under paragraph 9; or~~
- ~~—— (b) —— in the circumstances described in paragraph 13, with effect from the —— disapplication date, so long as the licensee gives Notice within 30 days —— after the publication of the report mentioned in that paragraph.~~

~~12. —— The circumstances described in this paragraph are these:~~

~~(a) — the Authority has not made a reference to the Competition Commission under section 12 of the Act relating to the modification of this condition as specified in the disapplication request before the beginning of the period of 12 months which will end with the disapplication date; and
(b) — the licensee has not withdrawn its request.~~

~~13. — The circumstances described in this paragraph are these:~~

~~(a) — the Competition Commission has made a report on a reference made by the Authority relating to the modification of this condition as specified in the licensee's disapplication request; and~~

~~(b) — the Commission's report does not find that the ending of the charging arrangements in this condition, in whole or in part, would operate or might be expected to operate against the public interest.~~

14. If the licensee has made a Disapplication Request that complies with the requirements of paragraphs 8 and 9 of this condition, and the circumstances described in paragraphs 15 or 17 of this condition apply, it may subsequently serve a Disapplication Notice on the Authority disapplying some or all of the provisions that are the subject of the Disapplication Request.

Disapplication without involvement of the Competition and Markets Authority

15. The licensee may serve a Disapplication Notice on the Authority if, by the Disapplication Date specified in the relevant Disapplication Request, the Authority has not responded to the request by publishing a decision under section 11A of the Act to modify this condition in either of the ways described in paragraph 16.

16. The ways referred to in paragraphs 15 are:

(a) modify any of the provisions referred to in the Disapplication Request; or

(b) modify this condition so as to remove the licensee's right to serve a Disapplication Notice on the Authority in respect of the relevant Disapplication Request.

Disapplication after involvement of the Competition and Markets Authority

17. The licensee may also serve a Disapplication Notice on the Authority if the Authority has published a decision described in paragraph 16 of this condition but:

(a) the licensee has exercised its right to appeal to the Competition and Markets Authority against the decision of the Authority as provided for by section 11C of the Act;

(b) the Competition and Markets Authority has quashed the Authority's decision, and has included in its direction to the Authority a provision relating to the right for the licensee to serve a Disapplication Notice on the Authority; and

(c) no more than 20 working days have elapsed since the date from which the licensee may serve a Disapplication Notice on the Authority under the Competition and Markets Authority's direction.

18. A Disapplication Notice under paragraphs 15 and 17 must also comply with any terms or conditions specified in the Competition and Markets Authority's direction.

19. For the purposes of this condition:

(a) **Disapplication Notice** means a notice served on the Authority in accordance with paragraphs 15 and 17 of this condition disapplying some or all of the provisions the subject of a Disapplication Request.

(b) **Disapplication Request** means a request made to the Authority in accordance with paragraphs 8 and 9 of this condition to disapply some or all of the charging provisions of this condition.

(c) **Writing** includes writing that is sent or received by Electronic Communication.

Schedule 3 – Changes to Standard Condition BA2 (applicable to the Electricity Network Company Limited, ESP Electricity Limited, Energetics Electricity Limited and Independent Power Networks Limited)

Standard Condition BA2. Charging Arrangements

1. The licensee shall make available and continue to make available charges for the provision of use of system to any authorised supplier using the licensee's network to supply domestic customers.
2. The licensee's distribution use of system charges to domestic customers may vary according to the distribution services area of the licensed distributor within which domestic premises are connected to the licensee's distribution system.
3. The licensee shall set these charges so that, except with the prior written consent of the Authority, the standing charge, unit rate and any other component of charges shall not exceed the distribution use of system charges to equivalent domestic customers.
4. For the purposes of this condition, distribution use of system charges to equivalent domestic customers are the distribution use of system charges made by the licensed distributor that has a Distribution Services Direction specifying the distribution services area where the domestic premises connected to the licensee's system are located.
5. The Authority may specify by direction which of the distribution use of system charges made by the licensed distributor with Distribution Services Obligations for the distribution services area are relevant for the purposes of determining distribution use of system charges to equivalent domestic customers.
6. These charging arrangements set out above apply for so long as this licence continues in force but shall cease to have effect (in whole or in part) if the licensee makes a Disapplication Request to the Authority in accordance with shall have effect within this licence until such time and in such circumstances as are described in paragraphs 7 to ~~12~~18 of this ~~standard~~ condition and:-
 - (a) the Authority agrees in Writing to the Disapplication Request; or
 - (b) the provisions that are the subject of the Disapplication Request are disappplied by a Disapplication Notice given by the licensee in accordance with the provisions of this condition.
7. The licensee may ask the Authority to consent to the disapplication of this condition (in whole or in part) by giving it a Disapplication Request made in accordance with paragraph 8. ~~This condition shall cease to have effect (in whole or in part as the case may be) if the licensee delivers to the Authority a disapplication request made in accordance with paragraph 8 of this standard condition or notice is given to the Authority by the licensee in accordance with either paragraph 11 or paragraph 12 of this standard condition.~~
8. A ~~D~~isapplication ~~R~~request must ~~shall~~:

- (a) be in writing addressed to the Authority;
- (b) specify the paragraph or paragraphs of this ~~standard~~ condition (or any part or parts thereof) to which the request relates; ~~and~~
- (c) provide a full statement of the licensee's reasons for making the Disapplication Request;
- (d) contain such other information or analysis as the licensee considers necessary to enable the Authority fully to assess the Disapplication Request; and
- (ee) state the date that is proposed by the licensee (which must not be earlier than the date specified in paragraph 9 ~~being not earlier than the date specified in paragraph 10 of this standard condition~~) on and after which the specified paragraph or paragraphs would no longer have effect ("the Disapplication Date"), ~~from which the licensee wishes the Authority to agree that the conditions shall cease to have effect (the disapplication date).~~

~~9. The licensee may withdraw a disapplication request at any time.~~

~~10. Save where the Authority otherwise consents in writing, no disapplication following delivery of a disapplication request pursuant to paragraph 8 of this standard condition shall have effect until a date being the later of:~~

- ~~(a) not less than 18 months after delivery of the disapplication request; and~~
- ~~(b) 31 March 2007.~~

~~11. If the Authority has not made a reference to the Competition Commission under section 12 of the Act relating to the modification of this standard condition or the part or parts thereof specified in the disapplication request before the beginning of the period of 12 months which will end with the disapplication date and the licensee has not withdrawn this disapplication request, the licensee may deliver a written notice to the Authority terminating the application of this standard condition or the part or parts thereof specified in the disapplication request with effect from the disapplication date or such earlier date to which the Authority has given its consent under paragraph 10.~~

~~12. If the Competition Commission makes a report on a reference made by the Authority relating to the modification of this standard condition or the part or parts thereof specified in the disapplication request and such report does not include a conclusion that the cessation of such revenue restrictions in this standard condition, in whole or in part, operates or may be expected to operate against the public interest, the licensee may within 30 days after the publication of the report by the Authority in accordance with section 13 of the Act deliver to the Authority written notice terminating the application of this standard condition or the part or parts thereof specified in the disapplication request with effect from the disapplication date.~~

9. Except with the Authority's consent, no disapplication of this condition following its receipt of a Disapplication Request under paragraph 7 may have effect until a date not less than 18 months after receipt of the Disapplication Request.

10. A Disapplication Request may apply to a specified geographic area.

11. If, within 10 working days of receipt of a Disapplication Request, the Authority gives notice to the licensee:

- (a) specifying any further information or analysis that it reasonably considers is required in order to assess the Disapplication Request; and
- (b) requesting the licensee to provide that information or analysis,

the Disapplication Request will be treated for the purposes of this condition as not delivered to the Authority until that further information or analysis is provided. If in consequence the Disapplication Date set out in the Disapplication Request no longer complies with paragraph 9, the Disapplication Date shall be treated as being the earliest date that would comply with that paragraph.

12. The giving of notice under paragraph 11 shall not preclude the Authority from making such further requests for information or analysis, or for the reformatting of information or analysis already provided, as it may consider it requires to assess the proposal.

13. The licensee may withdraw a Disapplication Request at any time.

Licensee's right to disapply this condition under a Disapplication Request

14. If the licensee has made a Disapplication Request that complies with the requirements of paragraphs 8 and 9 of this condition, and the circumstances described in paragraphs 15 or 17 of this condition apply, it may subsequently serve a Disapplication Notice on the Authority disapplying some or all of the provisions that are the subject of the Disapplication Request.

Disapplication without involvement of the Competition and Markets Authority

15. The licensee may serve a Disapplication Notice on the Authority if, by the Disapplication Date specified in the relevant Disapplication Request, the Authority has not responded to the request by publishing a decision under section 11A of the Act to modify this condition in either of the ways described in paragraph 16.

16. The ways referred to in paragraphs 15 are:

- (a) modify any of the provisions referred to in the Disapplication Request; or
- (b) modify this condition so as to remove the licensee's right to serve a Disapplication Notice on the Authority in respect of the relevant Disapplication Request.

Disapplication after involvement of the Competition and Markets Authority

17. The licensee may also serve a Disapplication Notice on the Authority if the Authority has published a decision described in paragraph 16 of this condition but:

- (a) the licensee has exercised its right to appeal to the Competition and Markets Authority against the decision of the Authority as provided for by section 11C of the Act;
- (b) the Competition and Markets Authority has quashed the Authority's decision, and has included in its direction to the Authority a provision relating to the right for the licensee to serve such a Disapplication Notice on the Authority; and
- (c) no more than 20 working days have elapsed since the date from which the licensee may serve a Disapplication Notice on the Authority under the Competition and Markets Authority's direction.

18. A Disapplication Notice under paragraphs 15 and 17 must also comply with any terms or conditions specified in the Competition and Markets Authority's direction.

19. For the purposes of this condition:

- (a) **Disapplication Notice** means a notice served on the Authority in accordance with paragraphs 15 and 17 of this condition disapplying some or all of the provisions the subject of a Disapplication Request.

(b) **Disapplication Request** means a request made to the Authority in accordance with paragraphs 8 and 9 of this condition to disapply some or all of the charging provisions of this condition.

(c) **Writing** includes writing that is sent or received by Electronic Communication.
