Dear Tessa,

Re: Notice under Part B of Charge Restriction Condition 4A (Governance of ED1 Price Control Financial Instruments) of the Electricity Distribution Licence to make modifications to the ED1 Price Control Financial Handbook

On behalf of Electricity North West Limited, thank you for the opportunity to respond to this consultation. Having reviewed the proposed modifications for sections 1, 2 and 3 of the Handbook, I can confirm that we have no significant comments to make at this time.

There are, however, a small number of minor errors that we would like to draw your attention to. These are set out below.

Paragraph reference	Issue
4.51	This paragraph refers to inflating the RAV balance in 4.50(ii). However, 4.50(ii) is now in nominal prices so this paragraph is no longer required.
15.86	We think the reference in this paragraph should be to 15.85, rather than 15.84.
15.89	There is no step (xi) in paragraph 15.87. Should this refer to step (ix)?
7.80(i) & (ii) 14.12 14.18 14.24 14.26 15.26 15.46 15.59 15.244	These paragraphs have "Error! Reference source not found" within them that need to be corrected.

If we can be of any further assistance, please do not hesitate to contact me.

Yours sincerely

Jen Carter
