Dear Marion,

**Code Governance Review Phase 3 – Final proposals: Consultation on Licence Modifications**

Thank you for the opportunity to respond to this consultation. We have reviewed the illustrative licence drafting and, so far as we are able to determine:

- we consider it reflects the policy proposals set out in the CGR3 Final Proposals;
- we agree the drafting in electricity Transmission Licence SLC C14 would facilitate the implementation of GC0086; and
- we agree that where the drafting differs between licence conditions, the substantive effect is materially the same.

Yours sincerely,

**Rupert Steele**
