

To: All holders of a gas transporter licence ("licensees") who are relevant licence holders for the purpose of section 23(10) of the Gas Act 1986

NOTICE OF A STATUTORY CONSULTATION ON A PROPOSED MODIFICATION PURSUANT TO SECTION 23 OF THE GAS ACT 1986 OF THE STANDARD CONDITIONS OF THE GAS TRANSPORTER LICENCES GRANTED OR TREATED AS GRANTED UNDER SECTION 7 OF THE GAS ACT 1986

WHEREAS:

1. Each of the companies to whom this notice is addressed holds a gas transporter licence granted, or treated as granted, pursuant to section 7 of the Gas Act 1986 (the "Act").
2. In accordance with section 23(2), (3) and (4) of the Act, the Gas and Electricity Markets Authority (the "Authority") gives notice ("Notice") that it proposes to modify the standard conditions of the gas transporter licence by amending standard condition 17.
3. The reasons why the Authority proposes to make the modification have been published by the Authority in the following documents:
 - (a) Priority Services Register Review – Statutory Consultation 13 June 2016; and
 - (b) Priority Services Register Review – Final Proposals, 2015¹.

In summary, the Authority has identified that the current regulatory arrangements could be improved to shift the responsibility onto licensees to identify consumers in vulnerable situations and to widen the eligibility requirements to ensure that consumers in vulnerable situations are provided with these services effectively.

4. The effects of the proposed modification are described in the documents referred to in paragraph 3 of this Notice. In summary, the effects of the proposed modification include amending the existing regulatory obligations with a more principles-based approach in order to improve customer awareness of the Priority Service Register and require Gas Transporters to take a flexible approach with the Priority Services they offer to best meet the needs of individual customers.
5. The envisaged text for the proposed modification is set out in the schedule to this Notice.
6. A copy of the proposed modification and other documents referred to in this Notice have been published on our website (www.ofgem.gov.uk). Alternatively

they are available from our Research and Information Centre, 9 Millbank, London, SW1P 3GE (020 7901 7003).

8. All responses will normally be published on Ofgem's website. However, if respondents do not wish their response to be made public then they should clearly mark their response as not for publication. Ofgem prefers to receive responses in an electronic form so they can be placed on the Ofgem website more easily.
9. Subject to responses to the statutory consultation, in the event that the Authority decides to proceed with the proposed modification, it is intended that the modification will take effect on a date which is at least 56 days after the date on which the Authority's decision is published.
