Consultation Response | Capacity Market Rules 19 August 2016

The Association for Decentralised Energy (ADE) welcomes the opportunity to respond to the Ofgem consultation on further amendments to the Capacity Market Rules published on 21 July 2016.

The ADE is the UK's leading decentralised energy advocate, focused on creating a more cost effective, efficient and user-orientated energy system. The ADE has more than 100 members active across a range of technologies, and they include both the providers and the users of energy. Our members have particular expertise in combined heat and power, district heating networks and demand side energy services, including demand response and storage.
