Dear Jonathan,

**Consultation on Modifications to SSC D13- Provision of Services for Specified Domestic Customer Groups**

Thank you for the opportunity to comment on the above consultation.

We have one minor comment on the drafting:

- Paragraph 4 should be “any customer” rather than “that customer” in the first sentence.

If you wish to discuss any aspect of our response please do not hesitate to contact me.

Yours sincerely,

**Stephen Parker**  
**Regulation Director**
