

<h1>Proposal for a Capacity Market Rules Change</h1>		 <p>Making a positive difference for energy consumers</p> <p>Reference number <i>(to be completed by Ofgem)</i>: CP184</p>
Name of Organisation(s) / individual(s): E.ON	Date Submitted: 11/11/16	
Type of Change: <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Amendment <input type="checkbox"/> Addition <input type="checkbox"/> Revoke <input type="checkbox"/> Substitution 	If applicable, whether you are aware of an alternative proposal already submitted which this proposal relates to: Click here to enter text.	
Proposal summary <i>(short summary, suitable for published description on our website)</i> Add Enhanced Frequency Response to the list of Relevant Balancing Services		
What the proposal relates to and if applicable, what current provision of Rules the proposal relates to <i>(please state provision number)</i> : Schedule 4 specifies the Relevant Balancing Services		
Description of the issue that the change proposal seeks to address: EFR is a new service which didn't exist when the CM Rules were first written. EFR should be added to the list of Relevant Balancing Services to ensure EFR providers are treated consistently with providers of other balancing services		
If applicable, please state the proposed revised drafting <i>(please highlight the change)</i> : Schedule 4 – add Enhanced Frequency Response and define the variables as appropriate.		
Analysis and evidence on the impact on industry and/or consumers including any risks to note when making the revision - including, any potential implications for industry codes: This will ensure consistent treatment of all providers of balancing services.		
Details of Proposer <i>(please include name, telephone number, email and organisation)</i> : Steve Davies, E.ON UK plc, 02476 183627, stephen.davies@eon-uk.com
