Dear Tessa,

Re: RIIO-ED1: Consultation on minor modifications to special conditions of slow-track electricity distribution licences

On behalf of Electricity North West Limited, thank you for the opportunity to respond to your consultation of 9 December 2015. Having reviewed the proposed modifications, I can confirm that we have no significant comments to make at this time.

The one point that we would like to bring to your attention is the treatment of the $DLGT_t$ term in para 2A.4. Whilst the term used in the formula in 2A.3 is $DLGT_t$, this has been incorrectly transposed in the definitions in 2A.4 as $DGLT_t$.

If we can be of any further assistance, please do not hesitate to contact me.

Yours sincerely

Sarah Walls
