Dear Anna

Notice of statutory consultation on a proposal to modify the standard conditions of the electricity distribution licence

Thank you for the opportunity to comment on the above notice, dated 11 May 2017. This response should be regarded as a consolidated response on behalf of UK Power Networks' affected distribution licence holding companies: Eastern Power Networks plc, London Power Networks plc and South Eastern Power Networks plc.

We have reviewed the proposed amendments and do not wish to make a formal representation. We are pleased that Ofgem has recognised the issue we raised that the original naming convention for this Licence Condition was confusing. However, we have identified a small error; "gap" in paragraph 48A.7 (d) should read "gaps".

If you have any questions on the above, please do not hesitate to contact Paul Measday (07875 113241) in the first instance.

Yours sincerely

Basil Scarsella
Chief Executive Officer
UK Power Networks
