Dear Anna

Notice of statutory consultation on a proposal to modify the network licences to curtail the recovery of Bid Preparation Costs from 1 April 2018

Thank you for the opportunity to respond to the statutory consultation on proposed modifications to Special Condition 1H (The Network Innovation Allowance) of our licence regarding curtailment of Bid Preparation Costs in respect of projects which pass the Network Innovation Competition initial screening process in 2018/19 and thereafter. This response is made on behalf of Cadent and can be published by Ofgem.

We note the consultation proposals and have nothing further to add to our views expressed in our earlier responses of 6 February 2017, 27 April 2017 and 8 June 2017.

If you have any further questions please do not hesitate to contact me using the details at the top of this letter.

Yours sincerely
