Dear Anna,

Notice to modify the Charge Restriction Condition 2H (The Network Innovation Allowance)

Thank you for the opportunity to review the proposed changes to the recovery of Bid Preparation Costs in the Network Innovation Allowance through Charge Restriction Condition 2H. We note the proposed modification reduces to zero the amount we can recover as Bid Preparation Costs to zero in 2018/19 and thereafter.

We have no comments on and do not wish to make representations on the proposed licence modification.

Yours sincerely

Simon Brooke
Regulation Manager
