

**NOTICE OF REVOCATION OF A LICENCE PURSUANT TO SECTION 7A TOGETHER WITH REASONS  
PURSUANT TO SECTION 38A OF THE GAS ACT 1986**

**Notice of Revocation and Reasons for Decision**

**Whereas**

1. Future Energy(Supply) Ltd, (company registration number 09245274), having its registered office at The Energy Centre, 2 Esh Plaza, Sir Bobby Robson Way, Great Park, Newcastle Upon Tyne, England, NE13 9BA ("**Future Energy Supply**"), is the holder of a Gas Supply Licence (the "**Licence**") granted or treated as granted under section 7A(1)(a) of the Gas Act 1986 (the "**Act**").
2. Section 7B(3) of the Act provides that a licence granted or treated as granted under the Act may be revoked in accordance with any term contained in it.
3. Schedule 2(1)(f)(i) to the Licence provides that the Gas and Electricity Markets Authority (the "**Authority**") may at any time revoke the Licence on giving not less than 24 hours' notice to Future Energy Supply where it is unable to pay its debts (within the meaning of section 123(1) or (2) of the Insolvency Act 1986).
4. On 26 January 2018 the Authority made an application to the Chancery Division of the High Court (the "**Court**") under Part 8 of the Civil Procedure Rules for a declaration to the effect that:
  - a. Future Energy Supply is unable to pay its debts (within the meaning of section 123(1)(e) or (2) of the Insolvency Act 1986) and;
  - b. therefore the condition, as set out in Schedule 2(1)(f)(i) of the Licence is satisfied.
5. On 26 January 2018, the Court issued an order making a declaration to the effect set out in paragraph 4 above and therefore the Authority is satisfied that Schedule 2(1)(f)(i) of the Licence applies.
6. For the following reasons, the Authority has decided that, in order to protect the interests of consumers, it is appropriate to give notice to revoke the Licence (with effect from 05:01 on 31 January 2018) in accordance with schedule 2(1)(f)(i) of the Licence:
  - a. given that Future Energy Supply is unable to pay its debts, the Authority is not satisfied that the company will be able to continue to provide or otherwise procure the services

necessary for supplying gas to its customers or to pay charges under the industry arrangements;

- b. the Authority has decided to initiate the process to appoint a supplier of last resort (“**SoLR**”) pursuant to its powers under condition 8 of the Standard Conditions for Gas Supply, in order to ensure continuity of supplies of gas to Future Energy Supply’s customers, and payment of appropriate charges from the date of which the SoLR direction takes effect;
- c. the revocation of the Licence would ultimately be necessary for SoLR arrangements to come into effect.

**Therefore**

- 7. The Authority hereby gives notice that, unless the Authority otherwise directs, with effect from 05:01 on 31 January 2018 the Licence shall be revoked.
