Proposal summary (short summary, suitable for published description on our website)

Our proposal is to amend Rule 7.5.1(l) to specifically record the issue of a Meter Test Certificate for all CMUs, rather than just DSR.

What the proposal relates to and if applicable, what current provision of Rules the proposal relates to (please state provision number):

7.5.1(l)

Description of the issue that the change proposal seeks to address:

Amendment of Rule 7.5.1(l) to be universally applicable, to inform Delivery Partners and to support understanding of related termination events.

If applicable, please state the proposed revised drafting (please highlight the change):

(l) to record the issue of a Metering Test Certificate for a ~~DSR~~ CMU which requires a Metering Test, within five Working Days of receipt of the Metering Test Certificate;

Analysis and evidence on the impact on industry and/or consumers including any risks to note when making the revision - including, any potential implications for industry codes:
