

Project	ENWL	NPg	SPEN	SSEN	UKPN	WPD
---------	------	-----	------	------	------	-----

**Question 1:** Have the outputs and/or findings from any of these Projects been deployed on your networks? Please provide evidence of the extent and impact of any such deployment.

- Where evidence exists of impact, this has been provided in our Second Tier Reward submissions for the relevant projects.

**Question 2:** Have the learnings from any of these Projects been incorporated into your operational practices? Please provide evidence of how such a change has provided valuable benefit for consumers.

- Where evidence exists of impact, this has been provided in our Second Tier Reward submissions for the relevant projects.
