Date: 16<sup>th</sup> October 2018

## **Invitation to attend a stakeholder event on the Special Purpose Vehicle (SPV) model consultation**

Dear Stakeholders,

On the 14<sup>th</sup> September we published a consultation on the next steps in our development of the Special Purpose Vehicle (SPV) model of onshore competition: "Extending competition in electricity transmission: commercial and regulatory framework for the SPV Model".<sup>1</sup>

We are now inviting stakeholders to attend an event hosted by Ofgem on **29<sup>th</sup> October 2018 from 10am to 1pm at De Vere Canary Wharf, No. 1 Westferry Circus, London E14 4HD.**

The event will give stakeholders an opportunity to discuss with us the detailed proposals for the SPV model set out in the consultation.

Stakeholders should also be aware that the consultation close date has been extended to 9<sup>th</sup> November 2018.

### **Agenda**

We expect the following agenda:

- Presentation by Ofgem:
  - Background to competition in electricity transmission.
  - Overview of the SPV model.
- Workshops discussing specific topics of the proposals in the consultation, including commercial framework, regulatory framework and procurement.
- Summary of the day and next steps to implementation.

### **How to register to attend**

Stakeholders interested in attending our event should email [NTIMailbox@ofgem.gov.uk](mailto:NTIMailbox@ofgem.gov.uk) by the 24<sup>th</sup> October 2018. Please note we are limiting the number of attendees to two per organisation. You can also use this address for any questions you may have in relation to the event or the SPV consultation itself.
