

## Non-Domestic Renewable Heat Incentive

www.ofgem.gov.uk/ndrhi

## **Shared Ground Loop Questionnaire**

We require some additional details regarding your installation. Please complete and upload this form to your application. Please note that failure to provide the completed form will extend the review period. It may be helpful to refer to our applicant guidance documents, <a href="here">here</a> – and the easy guide to shared ground loops, <a href="here">here</a>.

## **General Questions**

Pleas	e enter your RHI number:
1.	If applicable, please give the name of any company that assisted with your application
2.	Please confirm how many heat pumps you have on your installation?
ques	u have more than 30 heat pumps, please submit multiple shared ground loop tionnaires to make up the total number of heat pumps on the system. If greater than 30 se confirm the total number of heat pumps below;

3. Please complete the below information for each heat pump on your installation.

Please upload a copy of the EPC for each domestic dwelling on your installation and title each file "HPEPC[heat pump no. as listed in the table]". Please upload a copy of the MCS certificate for each individual heat pump located within a single domestic dwelling with a capacity <45kwth and title each file "HPMCS[heat pump no. as listed in the table]" To upload the copy of the document click on the upload buttons on the table for the relevant row. All uploaded documents must be PDF's.

Heat Pump No. for purpose of questionnaire	Property Name	Heat Pump Model	Heat Pump Capacity	Heat Pump Serial Number	EPC Annual Heat Demand	EPC Upload	SCOP	Days per year Occupied	MCS Certificate Upload	SPF Boundary	Installer declaration Upload	If your heat pump provides heat to the same property as another plant, select the relevant options for the plant
