**Subject:** RE: Document1 - Shetland Transmission Link Consultation [OFFICIAL ]

[REDACTED]

Thank you for asking but I do not mind if it is published at all.

There are also further developments today that impact on this consultation with SSE buying out the Shetland Charitable Trusts share in the Viking Energy Windfarm, thus essentially wiping out community involvement. I would be grateful if you could include this in my submission too.

Kind regards

[REDACTED]

Thank you for your response to our consultation, I can confirm receipt.

Shortly following the close of our consultation we will publish all of the responses that are non-confidential on our website.

Please could you confirm whether you would like your consultation response to be treated as confidential?

Thanks,

[REDACTED]
