C. The Licensee gave notice to the Authority on 31 January 2019 of its claim² for a payment to compensate for any additional costs it incurred in complying with a Last Resort Supply Direction (a "**Last Resort Supply Payment**") under standard condition 9.3 of the Licence.

D. Standard conditions 9.5 and 9.6 of the Licence state that the Authority will give its consent for the Licensee to make the claim notified to it if it considers it appropriate in all the circumstances of the case or the Authority may determine that an amount other than the one calculated by the Licensee is a more accurate calculation of the relevant amount for the Last Resort Supply Payment.

E. The Authority consulted on its determination of the amount it considered appropriate for the Licensee to recover.

F. The Authority has made a final decision on the relevant amount it will consent for the Licensee to recover as a Last Resort Supply Payment, taking into account representations from interested parties. The reasons for the Authority's decision can be found in its decision document.³
