## Confidentiality Ring Undertakings: Authorised Attendee

### REVIEW OF THE SMART METERING COST ALLOWANCE IN THE DEFAULT TARIFF CAP

### UNDERTAKINGS GIVEN BY [Name of Relevant Party] REGARDING ACCESS TO THE CONFIDENTIALITY RING FOR DISCLOSED MODEL

#### WHEREAS

- (1) The Domestic Gas and Electricity (Tariff Cap) Act 2018 ("**the Act**") places a duty on the Gas and Electricity Markets Authority ("**the Authority**") to implement a temporary cap on Standard Variable Tariffs and default rates ("**the Default Tariff Cap**"). On 6 November 2018, the Authority published the final Decision to implement the Default Tariff Cap which took effect on and from 1 January 2019. The Default Tariff Cap methodology includes a Smart Metering Net Cost Change ("**SMNCC**") allowance. This allowance reflects the change in smart metering costs from the 2017 baseline (part of operating costs) to subsequent cap periods.
- (2) The Authority proposes to publish its consultation on 22 October 2019 (the "**Consultation**") setting out its proposal to update the SMNCC allowance for the fourth cap period (from 1 April 2020 to 30 September 2020) and subsequent tariff cap periods using the updated non-pass-through SMNCC model based on the new Smart Metering Implementation Programme Cost Benefit

Analysis (“**SMIP CBA**”) developed by the Department for Business, Energy and Industrial Strategy (“**BEIS**”).

- (3) The Authority has decided to disclose the data described in Schedule 1 (the “**Disclosed Model**”) by means of a confidentiality ring commencing on the 22 October 2019 (the “**Model Confidentiality Ring**”). A reference to the Disclosed Model in these undertakings includes references to any part of the Disclosed Model. The Authority may identify additional information to be disclosed as part of the Disclosed Model after the commencement of the Model Confidentiality Ring. In this event, the Authority will notify the Authorised Attendee that this subsequent disclosure forms part of the Disclosed Model and accordingly these undertakings shall apply equally to this subsequent disclosure.
- (4) The Disclosed Model contains information that is confidential to BEIS and is provided by BEIS for disclosure as part of the Consultation on the basis that appropriate protections are put in place to ensure the continued confidentiality of the material. The Authority considers that the Disclosed Model may also include information caught by the prohibition on disclosure in section 105 Utilities Act 2000 (“**UA 2000**”)1. The Authority may disclose such information in a manner consistent with the ‘disclosure gateways’ contained in section 105 UA 2000.
- (5) Access to the Model Confidentiality Ring and the Disclosed Model is restricted to the “**Authorised Attendees**” of the **Relevant Party**2. For the avoidance of doubt an Authorised Attendee will include employees of the Relevant Party and / or third party advisers. Access is provided for the sole purpose of allowing the Authorised Attendees of a Relevant Party, on behalf of the Relevant Party, to review and understand the Disclosed Model in order to:
  - a) prepare submissions and representations to the Consultation; and
  - b) (if relevant) to prepare and conduct an appeal against any decision of the Authority in connection with any decision in respect of the SMNCC resulting from the Consultation, including an appeal in which the Relevant Party is, or is intending to apply to be, an intervener, in which case the arrangements established by these Undertakings may be extended to apply for the purposes of such appeal.

---

1 The Disclosed Model does not contain information that is commercially sensitive from the perspective of suppliers. However, please note that this is confidential from a market wide perspective and could not be made public.

2 A **Relevant Party** for the purposes of these undertakings could be any party which will be affected by this Consultation, specifically domestic supply licence holders, Citizens Advice or Citizens Advice Scotland and any other party which the Authority determined in its absolute discretion as likely to be affected by the Consultation. Where a supply licence holder has any Affiliate Licensees (as defined in SLC1 of the gas and electricity supply licences), the licence holder and any Affiliate Licensees together constitute a Relevant Party.

(“**the Permitted Purpose**”).

(6) Access to the Model Confidentiality Ring will only be granted to an Authorised Attendee:

- a) who has been approved, in writing, by the Authority;
- b) who has provided written undertakings acceptable to the Authority ("**Attendee Undertakings**");
- c) if the Relevant Party has provided written undertakings acceptable to the Authority (“**the Relevant Party Undertakings**”);
- d) if the Relevant Party has provided, in writing, a Compliance Document (as defined in the Relevant Party Model Confidentiality Ring Undertakings) acceptable to the Authority and

in accordance with the arrangements in recital (8) (each such Attendee being an “**Authorised Attendee**”).

(7) The number of Authorised Attendees is limited to ten for each Relevant Party.

(8) The arrangements for obtaining the Authority's approval of an Authorised Attendee and for giving undertakings in respect of an Authorised Attendee are:

- a) notice of not less than 1 **Working Day** must be given to the Authority of the date on which the Authorised Attendee first wishes to be granted access to the Model Confidentiality Ring (“**the Access Date**”);
- b) by 17:00 on the Working Day before the Access Date the Attendee Undertakings signed by the Authorised Attendee and the Relevant Party Undertakings signed on behalf of the Relevant Party, must be provided to (and received by) the Authority; and
- c) before the Authorised Attendee attempts to access the Model Confidentiality Ring, confirmation in writing must be obtained from the Authority that it has approved the Authorised Attendee and has accepted the signed Attendee Undertakings and signed Relevant Party Undertakings and approved the Compliance Document.

A **Working Day** is any day of the week, Monday to Friday, 09:30 to 17:00 on which the Authority’s offices are open (and excludes public or bank holidays).

(9) Subject to the Attendee Undertakings and the Relevant Party Undertakings, the Authority will:

- a) make the Disclosed Model available to the Authorised Attendees via a secure encrypted email (the “**Secure Encrypted Email**”) and to receive the Secure Encrypted Email, the Relevant Party will provide the Authority with an Authorised Attendee’s name, role, and professional email address;
- b) provide the Secure Encrypted Email within 1 Working Day of receipt of the information requested in (a) above;
- c) make the Disclosed Model available from the time the Consultation is published if the information in (a) above is received in advance, or not longer than 1 Working Day after their application if received after the Consultation publication.

(10) Each Authorised Attendee will be sent the Disclosed Model via the Secure Encrypted Email and will be permitted to download the Disclosed Model onto a computer or into a secure folder on a server at the Authorised Attendees’ or Relevant Party’s premises

(each permitted download resulting in a ‘**Permitted Copy**’ and each copy of a ‘Permitted Copy’ whether in part, adjusted, or altered is itself a ‘**Permitted Copy**’). Permitted Copies must be stored and worked with in accordance with the Approved Compliance Document and the Permitted Arrangements (as defined in the Relevant Party Model Confidentiality Ring Undertakings).

(11) Disclosure of the Disclosed Model, or any other part thereof, by the Authorised Attendees and/or Relevant Party other than in accordance with the Attendee Undertakings and/or the Relevant Party Undertakings is not permitted without the Authority’s express and prior written consent. Breach of the Attendee Undertakings by an Authorised Attendee and/or the Relevant Party Undertakings by the Relevant Party may result in the Authority:

- a) terminating the Authorised Attendee’s and/or Relevant Party’s access to the Model Confidentiality Ring and refusing the Authorised Attendee and / or Relevant Party access to any subsequent disclosure room or confidentiality ring run by the Authority, whether relating to the Consultation or update of any other allowance contained in the Default Tariff Cap for a prescribed period of time, such period to be determined by the Authority at its sole discretion (acting reasonably);
- b) terminating the Authorised Attendee’s and/or Relevant Party’s right to hold the information, and demanding it be deleted or returned immediately;

- c) taking additional steps in relation to that particular Relevant Party and Authorised Attendee in any future exercises involving the disclosure of confidential information, such as the imposition of more onerous restrictions, additional requirements and guarantees or refusal of access;
  - d) taking appropriate legal action to protect the data;
  - e) where relevant, referring the breach to the Authorised Attendee's regulatory body which may decide to take disciplinary action in relation to the breach;
  - f) informing BEIS of the breach.
- (12) Section 105 of the UA 2000 makes it an offence to disclose information other than in a manner that is consistent with the UA 2000. To the extent that the Disclosed Model contains materials subject to section 105 of the UA 2000 the Authority considers that any further disclosure of the Disclosed Model for anything other than the Permitted Purpose, would be a contravention of the UA 2000.

## **NOW THEREFORE**

I, [*Name of Attendee*] [*Job title*] at [*Name of Relevant Party*] in consideration for being granted access to the Model Confidentiality Ring undertake to the Authority in my own name:

1. To use the Disclosed Model for, and only for, the Permitted Purpose in accordance with the Permitted Arrangements.

  - c. To notify the Authority of the manner of, and date of, the destruction and/or deletion of the Relevant Material and Documents.

Unless a copy of any document containing the Disclosed Materials is required to be retained by me for compliance with any applicable law, legislation or court order.

6. To notify the Authority immediately of any breach of this Undertaking if I become aware of or suspect that any of the Relevant Party's other Authorised Attendees have failed to comply with the Attendee Undertakings or any other executed undertakings.

## **PROVIDED THAT**

The above undertakings shall not apply to any part of the Disclosed Model that:

- i) belongs or relates solely to the Relevant Party or to the Relevant Party's business and which does not include any confidential information belonging to, relating to or deriving solely or partially from any other party;
  - ii) is information that has previously been disclosed by the Authority to the Relevant Party without obligations of confidence;

This Undertaking shall be governed by and construed in accordance with English law and we submit to the exclusive jurisdiction of the courts of England and Wales to hear and decide any action or proceedings which may arise out of, or in connection with these undertakings.
