BUSINESS IMPACT TARGET: SUMMARY TEMPLATE

Non-qualifying Regulatory Provisions
(NQRP) summary reporting template

Regulator: Office of Gas and Electricity Markets (Ofgem)

Business Impact Target Reporting Period Covered: 21st June 2019 to 30th October 2019

Excluded Category*	Summary of measure(s), including any impact data where available
Measures certified as being below de minimis (measures with an EANDCB below +/- £5 million)	We published 3 documents each with an EANDCB of less than +/- £5 million. This included measures such as minor changes to industry codes.
EU Regulations, Decisions and Directives and other international obligations, including the implementation of the EU Withdrawal Bill and EU Withdrawal Agreement	We published 13 documents to reflect changes in EU regulations and did not include gold plating. Most of these documents related to the Renewable Energy Guarantees of Origin which is derived from Renewable Electricity Directive (RED), and to reflect the changes to Capacity Allocation and Congestion Management Regulation (CACM). Other publications reflected changes to European Electricity Balancing Guidelines, changes to the Regulation on Energy Market Integrity and Transparency (REMIT) and changes as a result of the European Third Energy Package.
Measures certified as concerning EU Withdrawal Bill operability measures	There are no measures for the reporting period that qualify under this exclusion category.
Pro-competition	We published a total of 27 documents relating to regulatory provisions that are intended to deliver- or to replicate- better competition based outcomes in an energy market characterised by market power. These included matters such as RIIO price controls, the Offshore Transmission Owners regime, the Competition in Connections Code of Practice, Competition and Market Authority Remedies, and Modifications to SLC 14 and 15.
Systemic Financial Risk	There are no measures for the reporting period that qualify under this exclusion category.
Civil Emergencies	There are no measures for the reporting period that qualify under this exclusion category.
Fines and Penalties	We published 2 documents relating to fines and penalties.
Misuse of Drugs	There are no measures for the reporting period that qualify under this exclusion category.
Measures certified as relating to the safety of tenants, residents and occupants in response to the Grenfell tragedy	There are no measures for the reporting period that qualify under this exclusion category.
Casework	We published 124 documents regarding specific investigation and specific enforcement activity, and individual licence decisions. The majority of these documents related to the applications for, notice of, or revocation of individual licences. Other documents related to regulatory activities such as specific investigations or specific approval of individual charging and service statements and methodologies.

Excluded Category*	Summary of measure(s), including any impact data where available
Education, communications and promotion	We published 1 documents that were educational and did not create new regulatory standards that businesses would be expected to follow.
Activity related to policy development	We published 24 documents regarding our own policy development such as formal and informal consultations and ad hoc information requests.
Changes to management of regulator	There are no measures for the reporting period that qualify under this exclusion category.
